Widgets: The 12 New Rules for Managing Your Employees as if They're Real People Rodd Wagner,2015-03-17

New York Times bestselling author Rodd Wagner tackles one of the most destructive problems facing organizations today the breakdown of the relationship between employees and the organizations they work for Your people are not your greatest asset They re not

yours and they're not assets. With this declaration one of the leading authorities on employee performance rolls up his sleeves against the weasel words contradictions bad habits and intrusions that reduce people to human resources. To FTEs To human capital To flesh and blood widgets Armed with empirical evidence from the provocative studies he leads around the globe Wagner guides you through the new realities of what it takes to get the highest levels of intensity from people in a more mercenary skeptical and wired work world. He explains how elements such as individualization, fearlessness, transparency, recognition and coolness are reciprocated with loyalty, productivity, innovation and inescapably corporate reputation.

English Island ⑤6⑥ ⑦⑧,2018-07-01 Green eyed **Say Hello** Carly Findlay,2019-02-01 A forthright honest and rousingly triumphant memoir from a woman who has to live with a highly visible different appearance due to a rare skin condition Say hello to Carly In fairytales the characters who look different are often cast as the villain or monsters It's only when they shed their unconventional skin that they are seen as good or less frightening There are very few stories where the character that looks different is the hero of the story I've been the hero of my story telling it on my own terms proud about my facial difference

and disability not wanting a cure for my rare severe and sometimes confronting skin condition and knowing that I am beautiful even though I don't have beauty privilege. This honest, outspoken and thought-provoking memoir by award-winning writer and appearance activist Carly Findlay will challenge all your assumptions and beliefs about what it is like to have a visibly different appearance. Carly lives with a rare skin condition Ichthyosis and what she faces every day and what she has to live with will have you cheering for her and her courage and irrepressible spirit. This is both a moving memoir and a proud manifesto on disability and appearance diversity issues. Believe the hype by turns frank, funny and fearsome. Findlay's extraordinary memoir is an early contender for 2019's best Australian non-fiction. A powerful and moving invitation to examine the structures of privilege and dehumanisation that we so desperately need to address in this country. *Better Read Than Dead* A proud celebration of appearance difference, a valuable read. *Herald Sun* Defiant, unsettling and thought-provoking. *The Age*

[The Hidden Psychology of Social Networks: How Brands Create Authentic Engagement by Understanding What Motivates Us](#) Joe Federer, 2020-09-15 From the former Head of Brand Strategy at Reddit comes a proven and thought-provoking approach to the digital economy and how brands can create authentic engagement that is rooted in the fundamental motivations behind human psychology. Leading marketing practitioner and thought leader Joe Federer draws on evolutionary biology, anthropology, neuroanatomy and psychology as well as more than a decade of hands-on experience to explain why people act so differently in various online spaces and what they are seeking from participating in each one. With a framework based on Freud's Id, Ego and Superego model of the human psyche, he demonstrates how the internet is a digital reflection of the collective human psyche and how different social networks correspond to different mindsets. Platforms like Reddit to the unfiltered Id, Facebook and Twitter to the managed Ego and Instagram to the ideal Superego. In the same way you behave differently when you're home alone, out with friends, communicating with family or interacting with coworkers, people act and express themselves differently in these various online spaces. Context matters. Understanding this will enable you to develop and execute effective engagement strategies to reach your target audiences on each social network. Learn how to create content that drives sharing and word of mouth, how brands can fit natively into different types of social channels, how to balance branded social presences across different networks, why authenticity will only grow in importance to consumers. Fascinating and deeply compelling. *The Hidden Psychology of Social Networks* will equip you to make vastly more efficient use of your media buys, establish more thoughtful strategies, develop better creative and, in the end, deliver more effective marketing that provides value.

[The Forever Transaction: How to Build a Subscription Model So Compelling, Your Customers Will Never Want to Leave](#) Robbie Kellman Baxter, 2020-03-31 Develop and cultivate the kind of robust long-term customer relationships that power companies like Nike, Spotify, LinkedIn and Target. More and more companies are concluding that the potential rewards of subscription-based products and services are worth the risk of radically changing their business models. They're correct. The

Membership Economy is here and it's here to stay and if you want to compete for the long run you need to join it. Strategy consultant Robbie Kellman Baxter has been helping companies excel in this business environment for more than a decade. Now in *The Forever Transaction* she reveals all her secrets. Whatever industry you're in, Baxter provides the inspiration, tools and insight you need to build and execute a business model that will leave your competition in the dust. You'll find out how industry leaders like Under Armour, Microsoft and Netflix have created an ever-expanding customer base of loyal subscribers and are keeping them coming back. You'll learn how to lead your organization through every step of the process from initial start up to new product testing, scaling for long-term growth and sustainability to revamping your culture so everyone works together to optimize customer lifetime value. You'll also master all the essentials of succeeding in the Membership Economy like subscription pricing, Software as a Service, digital community engagement and freemium incentives as a way to turn casual browsers into cash-paying super users. With *The Forever Transaction* you have everything you need to build durable long-term relationships with every customer and leverage them for ultimate business success today, tomorrow and forever.

The Membership Economy (PB) Robbie Kellman Baxter, 2015-03-20. The membership business models of Netflix, Weight Watchers and other industry giants revealed and how you can use them to lead your company to the top of the food chain. For decades consumers and businesses have joined clubs, bought products and accessed services using a subscription model. But it has only been in recent years that the model has been transformed and perfected through massive changes in technology. The Membership Economy shows how nimble companies that focus on ongoing formal relationships over one-time transactions are thriving. By renting, lending or offering access instead of just ownership, organizations can leapfrog industry leaders. In terms of strategic business models, this is one that allows for breakthrough growth. With great case studies from American Express, LinkedIn, CrossFit, SurveyMonkey and more, this book will show you how to radically rethink how your organization can build loyalty, viral growth and recurring revenue.

PC World, 2008-07 **Das Ende von Social Media** Dominik Ruisinger, 2024-04-26. Derzeit zeichnen sich Veränderungen ab, die die gesamte digitale Kommunikation und speziell die Social Media Branche auf den Kopf stellen und die viele mit dem Begriff Revolution verbinden. Schon lässt sich vom Ende von Social Media sprechen, zumindest so wie wir es gekannt haben. Künftig ziehen Algorithmen die Empfehlungen von künstlichen Intelligenzen den Inhalten der vernetzten Freunde vor. Dies hat zur Folge, dass technologische KI geprägte Algorithmen und nicht unsere Freunde die Inhalte in unseren Social Media Feeds bestimmen. dass man auf gebaute Seiten, Netzwerke und Gruppen an Relevanz und Sichtbarkeit einbauen und dass automatisiert erstellte Inhalte die Feeds fluten könnten. Der Kommunikationsexperte Dominik Ruisinger zeigt in seinem Buch auf, was da auf die Branche zukommt: welche Einflüsse Algorithmen auf Inhalte haben, warum Empfehlungen wichtiger als Menschen sind, wie künstliche Intelligenz Social Media auf den Kopf stellt und wie eine Kommunikationsstrategie künftig aufgebaut werden muss.
