From the

Grave of the Gods Alan K. Dell,2021-11-01 Strange lights in the sky A Red Planet A catalyst to change the course of human history Commander James Fowler is an astronaut and the first officer of the Magnum Opus the largest spacecraft ever built on the first crewed expedition to Mars The mission to investigate the mysterious extrasolar object that went down on the Red Planet five years ago James is living the dream he gets to go to space and be one of the first to set foot on another world with his girlfriend Angela cheering him on at home Maybe after the mission when he's returned a hero he'll find the perfect moment to finally propose But his dreams shatter as the mission ends in disaster Returning to a world reeling from the revelation of what they found out there James works to piece his life back together and come to terms with what happened But the mission left him changed and now he must fight to protect everything he holds dear from those who seek advancement at any cost a process that makes him question his identity his place in the world and what it means to be human

Shadow Warriors Paul O'Brien,Wayne Fitzgerald,2020-04-03 In the spring of 1980 the Irish Department of Defence sanctioned the establishment of a new unit within the Irish Defence Forces and the Irish Army Ranger Wing ARW came into being In the decades that followed its soldiers have been deployed on active service at home and abroad generally without the knowledge of the wider public The ARW is made up of seasoned men from across the island who are selected through tough competition Only the best of the best make it through and are trained in an extraordinary range of specialist skills Being one of these elite operators takes more than simply being a skilled soldier it means believing you are the best Shadow Warriors tells the story behind the creation of the ARW from its origins in specialist counter terrorism training in the late 1960s and the preparation of small unconventional units in the 1970s to the formation of the ARW itself in 1980 and its subsequent history The first and only authoritative account in the public domain of this specialist unit authors Paul O'Brien and Sergeant Wayne Fitzgerald have been granted access to the closed and clandestine world of Ireland's Special Forces who train hard fight harder and face unconventional types of warfare yet prefer to stay out of the limelight

Using the

Metaverse in Education Upendra Embranthiri,2024-12-15 Using the Metaverse in Education A Practical Guide explores the transformative potential of the metaverse in education This book defines four types of metaverses and examines their pedagogical applications and limitations The Metaverse Roadmap categorizes these applications into Augmented Reality AR Anatomy Methodologies and Virtual Reality VR We delve into real world examples such as AR T shirts in medical education that allow students to explore the human body and a spinal surgery platform developed by Seoul Hospital using AR technology The book highlights the potential of the metaverse as a new educational environment offering immersive

experiences and enhanced social communication However the book also addresses potential challenges such as weak social connections privacy concerns and the risk of crimes due to anonymity in virtual spaces We emphasize the importance of carefully analyzing how students understand the metaverse and designing classes that encourage creative problem solving and collaboration Using the Metaverse in Education A Practical Guide is a comprehensive resource for educators looking to harness the metaverse's potential while mitigating its challenges
