Matthew's notable mentors and business partners include Tony Robbins, Naveen Jain, Forbes Riley, Tai Lopez, and Ekim Kaya. Being 1st on Google maps is crucially important. To rank, you'll need to learn Google Maps SEO. When searching for a local business, many consumers search through maps. If you're not 1st on Google maps, you're losing Money lots of money. Every single day, a potential long-term customer is going to your competitor. Unless the customer has a bad experience, it's likely you won't have them as a customer the rest of their life. Being 1st on Google maps isn't just costing you money on a day-to-day basis; it's negatively impacting every day the rest of your life. Impact You love your business, your business helps people. You're doing your customers a disservice when they search for a local business and go to a competitor. This effects the amount of impact you can leave in the world. Respect If you're not 1st on Google, you'll lose respect in the eyes of many of your customers. They won't see you as the market leader. They'll try to negotiate discounts and haggle you for every penny. It's not just your customers; you'll lose respect in the eyes of many business owners. They won't think you're serious about your business. As a result, you'll lose referrals and other opportunities. Freedom The difference between freedom for many business owners is a 1st place Google ranking. When you're first on Google, you don't need to prospect for new customers. By dominating your

industry you can easily create time freedom It s not the best business owner that gets freedom it s the business owner that s first on Google I could list more reasons why your business needs to be 1st on Google maps but to be honest I don t want to disrespect your intelligence If you didn t know you need to be 1st on Google maps you wouldn t be reading this In this book I ve laid out 8 easy to follow steps An idiot could do this SEO doesn t need to be difficult It s really easy once you know everything Anyone that tells you it s really difficult and you can t do it yourself is trying to sell you their services Someone with no computer experience could follow these 8 steps and rank first on Google maps What are you waiting for Read the book today and ROCKET your business to the top
