Eat Your Ice Cream Ezekiel J. Emanuel,2026-01-06 From one of America s leading doctors an authoritative practical and entertaining guide to living a full and healthy life Everyone wants to live a full and healthy life and every day brings a tidal wave of attention grabbing misinformation faddish ideas from wellness influencers and bizarre advice from news outlets over extrapolating the results of tiny outlier studies The Wellness Industrial Complex prescribes conflicting and complicated regimens while promising us more time to enjoy in the future though it sure is demanding a lot of time right now But what actually matters most to our health and longevity What has the most robust actionable evidence What s the junk you can skip In Eat Your Ice Cream renowned physician Ezekiel J Emanuel argues that life is not a competition to live the longest and that wellness shouldn t be difficult it should be an invisible part of one s lifestyle that yields maximum health benefits with the least work Dr Emanuel cuts through the noise with wit and good humor giving readers just what they need simple high impact evidence based guidelines on such issues as alcohol consumption food and nutrition exercise sleep mental acuity and social engagement Resisting the tide of the latest trends to extend life at all costs Eat Your Ice Cream reveals that many of the tools for a long healthy and meaningful life are already within reach Pairing common sense with uncommon wisdom based on his decades of expertise and experience Dr Emanuel helps us consider which lifestyle changes are worth making and how to most easily implement them for longer healthier and happier lives Readers will come away with greater clarity and a deeper understanding of what really matters for well being connection purpose and sustainable choices backed by rigorous science Cold Skies Thomas King,2018-05-22 From the award winning and 1 bestselling author of Sufferance and Indians on Vacation When a body is found in an airport rental car Thumps DreadfulWater learns that the deceased was developing a revolutionary technology The technology is new but could it be so valuable that someone would kill for it Thumps DreadfulWater has finally found some peace and quiet His past as a California cop now far behind him he s living out his retirement as a fine arts photographer in the small town of Chinook His health isn t great and he could use a new stove but as long as he s got his cat and a halfway decent plate of eggs life is good All of that changes when a body turns up on the

eve of a major water conference and the understaffed sheriff's department turns to Thumps for help. Thumps wants none of it but even he is intrigued when he learns that the deceased was developing a new technology that could revolutionize water and oil drilling and that could also lose some very powerful people a lot of money. As strangers begin to pour into Chinook for the conference, Thumps finds himself sinking deeper and deeper into a conflict between secretive players who will not hesitate to kill to get what they want.
