**Angelika Frankenstein Makes Her Match** Sally Thorne,2022-09-15 This book is genuinely fantastically nuts and I adored every single second of it Jelly is the lonely horny enterprising heroine of my heart Will is the most adorable love interest to ever grace a book and then there s the plot which is deliciously bonkers and utterly unique ALI HAZELWOOD Readers ADORE Angelika Frankenstein Quirky bittersweet and utterly enchanting reader review I think I loved this one even more than The Hating Game reader review If I could give this 5 billion stars I would reader review For generations every Frankenstein has found their true love and equal unlocking lifetimes of blissful wedded adventure Clever pretty and odd Angelika Frankenstein has run out of suitors and fears she may become the exception to this family rule When assisting in her brother Victor s ground breaking experiment to bring a reassembled man back to life she realizes that having an agreeable gentleman convalescing in the guest suite might be a chance to let a man get to know the real her For the first time Angelika embarks upon a project that is all her own When her handsome scientific miracle sits up on the lab table her hopes for an instant romantic connection are thrown into disarray Her resurrected beau named Will for the moment has total amnesia and is solely focused on uncovering his true identity Trying to ignore their heart pounding chemistry Angelika

reluctantly joins the investigation into his past hoping it will bring them closer But when a second suitor emerges to aid their quest Angelika wonders if she was too hasty inventing a solution Perhaps fate is not something that can be influenced in a laboratory Or is Will or whatever his name is her dream man tailored for her in every way And can he survive what was done to him in the name of science and love Filled with carriages candlesticks and corpses Angelika Frankenstein Makes Her Match is the spooky season romcom that reminds us to never judge a man by his cadaver This is Sally Thorne at her absolute best witty banter a sexy toe curling romance and voice that pirouettes off the page but add one part Tim Burton CHRISTINA LAUREN Bridgerton meets The Addams Family I was hooked the moment I read the first page RUBY ADAMS *Summary of Reminders of Him* Alexander Cooper,2023-01-16 Reminders of Him A Comprehensive Summary Reminders of Him by Colleen Hoover was as of late conveyed and I understand there s been a lot of energy among her fans around the appearance of her freshest book What s more it s free on Kindle Unlimited to seek after a free starter Ensuing to getting Verity I didn t know whether her books were really a solid match for me but I ve been in the disposition for some feeling as of late so I regularly Hoover s latest conveyance was on my radar I similarly comprehended that Verity was a more prominent measure of faint opinion which isn t really what I m into which is perhaps why I didn t see the value in it Assists with recalling that Him seemed like it might be considerably more a misfortune and perhaps a bit sure which I understood I d will undoubtedly bounce on board with In Reminders of Him Kenna has actually gotten away from prison for a heavy drinker driving disaster that achieved her darling Scotty s passing After the incident she d learned she was pregnant and had gone to prison in a split second some time later By and by following five years she returns to town needing to see her young lady yet she ends up associating with Scotty s dearest friend who she hadn t met before then The contracted type of this review is that this book is a fair type of unequivocally the sort of book it s meaning to be Thusly if you want a misfortune y feeling you ll no doubt genuinely it A more extended out variation of this is to say that my overall impressions of this were all things considered sure Basically I found the central ardent plotline in it to be sweet and convincing I partook in that there was an incredible development to their relationship which felt sensible It helps that the piece and pacing are both solid which you d expect from a pre arranged maker like Hoover Exactly when I at first read the explanation I was a little stressed that this book would be all things considered a grouch and I think it successfully could ve transformed into a semi putting story in some unsuitable hands down In any case Hoover really buckles down of managing the tone of the novel so it feels energetic yet completely not exorbitantly troubled The male saint is an all around traditional ardent legend but I liked that the principal individual of Kenna had a charming sensation of character which helped me with appreciating and root for their relationship Kenna is depicted as someone with a deplorable puberty achieving being someone in her more young years who wasn t really set up dressed somewhat provocatively and wasn t the sort of individual watchmen required their youngster to get back I adored her deformities and it made the story feel fairly more real to me Here is a Preview of What You Will Get A Detailed
