Max Streaming Near Me:

The Main Character Jaclyn Goldis, 2025-04-15 Rollicking good fun The Wall Street Journal A bestselling thriller author arranges a luxury train trip that is not what it appears to be in this electrifying modern homage to Agatha Christie that is filled with rich complex characters taut prose and twists and turns that keep those pages turning as the plot thickens Lisa Barr New York Times bestselling author Reclusive author Ginevra Ex is famous for her unusual approach to crafting her bestselling thrillers she hires real people and conducts intensive interviews then fictionalizes them Her latest main character Rory is thrilled when Ginevra presents her with an extravagant bonus a lavish trip along Italy's Mediterranean coast on the famed newly renovated Orient Express But when Rory boards the train she's stunned to discover that her brother her best friend and even her ex fianc are passengers as well All invited by Ginevra all hiding secrets With each stop from Cinque Terre to Rome to Positano it becomes increasingly clear that Ginevra has masterminded the ultimate real life twisty plot with Rory as her main character And as Ginevra's deceptions mount and the lies and machinations of Rory's travel companions pile up Rory begins to fear that her trip will culminate like one of Ginevra's books with a murder or two In the opulent compartments of the iconic train Rory must untangle the shocking reasons why Ginevra wanted them all aboard and to what deadly end The perfect read for fans of Ruth Ware Lucy Foley and Paula Hawkins *The Main Character* mixes the family drama of *Knives Out* with the locked room atmosphere of *Murder on the Orient Express* and the resulting cocktail is like an Aperol spritz on a hot summer's day perfect Katy Hays New York Times bestselling author *Secrets and Shadows* Shannon Delany, 2011-02-15 Nothing's simple when you run with werewolves Jess Gillmansen thinks she's seen it all but her eyes are about to be opened to even more danger and a reality far more paranormal than she's suspected With Jess's realization that the Rusakovas mother is still alive and imprisoned the group's choices become harder and trust more important Lines are drawn and relationships change as the broken Rusakova family struggles to reunite long enough to free their mother and people who Jess always just took to be normal people show themselves to be much much more *The Windsor Magazine*, 1900 **Kill Me Slowly** Kate Bridges, Nicole Johnson was five when she first dreamed of becoming a vet Now at 24 that dream was her reality Surrounded by tiny helpless creatures she dedicated her life to helping them with all her heart Life was simple fulfilling and she had every intention of spending the rest of her years doing what she loved caring for animals She couldn't have asked for a better life But fate had other plans It was just another long night at the clinic one where Nicole decided to stay late catching up on paperwork her only company the soft rustle of animals in the back rooms She never imagined that this one quiet evening would change everything What she didn't know was that the world outside her small clinic was about to collide with her own in the form of Christopher Harris the most feared man in the underworld Christopher Harris A name that sent chills down the spine of anyone who dared speak it At 28 he was next in line to take over the Mafia empire His face was handsome enough to charm any woman and his body was sculpted by years of violence and dominance But none of that

mattered His reputation as The Devil kept even the most powerful men at bay A man of darkness ruthlessness and aggression Christopher was known for one thing destroying anything in his path Yet behind the mask of cruelty and the legend of his evil ways there was a secret buried deep within him something even he didn't know When their paths cross on that fateful night Christopher is drawn to Nicole in a way he can't explain For the first time something inside of him stirs an emotion he's never felt He doesn't know if it's love or something darker but he's certain of one thing he can't walk away from her For Nicole meeting him is like stepping into the eye of a storm His presence is dangerous overwhelming but somehow she can't pull herself away She is everything he's never had a glimpse of light in his otherwise bleak existence But his world is poison and she's the one person who might not survive it Will the Devil let himself be redeemed through her Or will his dark past drag her down with him into the hell he's created In a game where emotions can be deadly they will both face a choice surrender to love or watch it destroy everything they've ever known Prepare for a passionate intense and heart stopping journey where love meets darkness and redemption comes at a price
