*Online Side Hustle: Newbie-Friendly Guide for Making Your First \$1,000 in Passive Income Each Month on Autopilot -- With 7 Proven Business Models Including Social Media, Shopify, and Amazon FBA* Financial Freedom Blueprint, 2019-05-07 Profitable businesses that you and your family can start in your spare time If you've ever wanted to make a little extra cash on the side but don't have much money to invest then keep reading Here's the unfortunate truth Most of the books on Amazon promise you instant riches for little to no work Or they'll just be one long sales pitch for yet another overpriced online course Or worse some kind of recruitment for a network marketing scam So why is this book different Here at Financial Freedom Blueprint we've rounded up a group of experts each of whom have years of experience in their fields to bring you today's best work at home opportunities Not stuff which might have worked 10 years ago but no longer does so even if you've tried blogging writing articles selling stuff on Craigslist or eBay affiliate marketing or a bunch of other stuff online which doesn't actually work then don't worry This book

only contains proven business models which are working in 2019 This isn't a get rich quick scheme and these projects will need some time and effort to get started But all them only require a small investment and sometimes no investment and don't take a lot of time to set up No need for hours of technical training either Most of these are turnkey models you can get up and running with in a single weekend And best of all you can run them from your laptop or in some cases your smartphone Here's just a fraction of what you'll discover inside The real secret to making money online This is the opposite to what every guru has been telling you How one desperate housewife made 1 500 profit her first month with just a small investment of 200 and less than 10 hours of work The unique business model you can use to make 500 a week from your smartphone The 4 best ecommerce niches for 2019 you won't find these on any mainstream websites and sellers in them are quietly making a killing How to leverage one of the fastest growing markets on the planet by writing about your favorite subjects This is one of the most fun and profitable ways to make money online right now An unsexy yet reliable way to generate 1 000 in the next week All it takes is a few emails sent to the right people and 2 hours of computer work and you're good to go The dangerous lesson inside Rich Dad Poor Dad The little known business model only taught in a 2 500 program which is making people 4 and 5 figures a month with less than 60 minutes work a week How to make your first 1 000 with zero investment even if you don't have a college degree or barely finished high school This one is so simple we've yet to see anyone fail with it Is Amazon FBA worth it in 2019 The surprising truth inside and much much more If you or your spouse loves to write then you'll love the business model in chapter 7 which can easily net you an extra 25 000 a year no it's not blogging Or if you fancy yourself as someone who can spot a bargain then head straight to chapter 5 to discover how to leverage your skill in today's online marketplace There are no upsells or withheld information either you can read the book and get started with your new side hustle the very same day So if you want to get your hands on 7 proven business models for less than the price of an overpriced coffee at Starbucks Scroll up and click add to cart to receive your copy instantly **Side Hustles** Mike

Shirley, 2021-07-24 Finances have been my passion for years because of how much it has opened my mind and heart to opportunities Financial literacy has truly changed my life for the greater good and can most definitely change yours too I have put in hours upon hours of research on many ways to create extra streams of income so that I can accelerate financial freedom My passion for financial literacy has given me the urge to spread its gospel to the masses in hopes to help bring joy and wealth to those who grew up just like me I spent most of my life financially illiterate and had no clue how to control my money Once I read Rich Dad Poor Dad by Robert Kiyosaki I began to question everything I knew about finances and thus my financial journey began I had to read countless books articles blogs watch countless videos and take many courses and seminars to learn what I know today and I continue to learn daily This is why this book is so important for me to put together and get it into people's hands so that they can do what they love and grow very wealthy in doing so This book is by no means to make you quit your job but after you fall in love with your side hustles you will make enough to give you that option I

decided to break this book into categories so that it can be digested easier and flow well There may be side hustles in here that cease to exist after the release of this book due to unforeseen circumstances but I am sure you will find quite a few streams of income here and gain happiness in doing them Remember that you should never pick a career job or side hustle solely based on the amount of pay your happiness should always come first With that being said let s go create multiple streams of income and be happy doing it When picking side hustles from this book I encourage you to eventually pick from multiple categories here For Example when you master a side hustle and build a stream of income from a local hustle go master a WIFI hustle as well so that you diversify your side hustles This is how you create multiple streams of income It has been said that the rich have on average 7 streams of income With the help of this book and some dedication from you I see you accomplishing that goal with ease and creating financial freedom for not only yourself but your entire family Read through each category and pick 3 side hustles that you would be happy to do Once you have them start putting actions behind the one you like most and give 100% focus to it in all the time you can spare from your normal job or career This way you give all focus to this one hustle and can decide in time if it truly will make you happy Once you have mastered it then you can start on your next hustle picks and master those Drop any that you find that do not make you happy If you don t love what you do you will never be a success at it We don t want you to just be rich in wealth we need you to also be rich in happiness Keep in mind that not all side hustles in this book will be thorough step by step instruction but will lead you in the correct path to take a learning journey in that hustle To give multiple steps we would be writing for ages and we want you to get to work on your side hustle as soon as possible Reading about it will not make you master it the application and execution of what is written is what makes you a master of that hustle Check us out at [www.ProfitVestor.com](http://www.ProfitVestor.com)     [How to Start a Side Hustle](#) Nic Haralambous,2020-04-09 Your guide to finally building that side hustle that you ve been dreaming of The first step is always the most difficult This book helps you take that first step and move towards a real side hustle     **The Artist's Side Hustle** Stacie Bloomfield,2025-11-18 Turn your creative passion into sustainable income with just five hours a week in this road map from the founder of side hustle turned multimillion dollar business Ginger Are you dreaming of a career as an artist but unsure how to monetize it Or have you already started your side hustle but are struggling to make it sustainable both in your bandwidth and as income Stacie Bloomfield asked herself the same questions Now she s using her experience of starting stationery company Ginger to give you just the advice you need to start a successful side hustle doing what you love After graduating college she found a job as a coffee shop manager But she soon found herself yearning to reconnect with her artistic voice And what started as an artistic side hustle turned into a thriving multimillion dollar business Whether you want to maintain a side hustle or grow your business into something larger you will need the same solid foundation With Stacie as your guide you ll learn 13 ways to monetize art and the secret to business growth in the art world The 4 essential components of an art portfolio A road map for generating consistent side income as an artist How to use 5 hours a week to

create your art business This is your chance to rediscover your unique voice generate income from your art and gain the confidence you need to showcase your creativity to the world      Side Hustle Chris Guillebeau,2017-09-19 The author of the New York Times Bestseller THE 100 STARTUP shows how to launch a profitable side hustle in just 27 days To some the idea of quitting their day job to start a business is exhilarating For others it s terrifying After all a job that produces a steady paycheck can be difficult to give up But in a time when businesses have so little loyalty to employees that the very notion of job security has become a punchline wouldn t it be great to have an additional source of income to fall back on And wouldn t it be great to make that happen without leaving your day job Enter the Side Hustle Based on detailed information from hundreds of case studies Chris Guillebeau provides a step by step guide that anyone can use to create and launch a profitable project in less than a month Designed for the busy and impatient this plan will have you generating income immediately without the risk of throwing yourself head first into the world of entrepreneurship Whether you just want to make some extra money or start something that may end up replacing your day job entirely the side hustle is the new job security When you generate income from multiple sources it gives you options and in today s world options aren t just nice to have they re essential You don t need entrepreneurial experience to launch a profitable side hustle You don t need a business degree know how to code or be an expert marketer And you certainly don t need employees or investors With this book as your guide anyone can learn to build a fast track to freedom      **Entrepreneurship** Bruce R. Barringer,R. Duane Ireland,2010 Entrepreneurship takes students on the entire journey of launching a new business venture placing a unique emphasis on the front end of the entrepreneurial process      **The Side Hustle Path: 10 Proven Ways to Make Money Outside of Your Day Job** Nick Loper,2015-03-03 Earn Extra Cash The Side Hustle Path is for people who want or need to earn some extra money outside of their day jobs Maybe you need a few extra dollars to make ends meet Maybe you want to pay off debt Maybe you want to save for a rainy day or for your children s education Maybe you just want to treat yourself to a nice vacation or a new car without feeling guilty about it Maybe you re looking for a way out of the corporate world an escape plan That s the ultimate financial freedom right That s how I got started down this entrepreneurial path and it s been the best choice I ever made You re willing to work for it because your future is worth working for The challenge is time is limited and you may not know where to start There are a million and one ways to make money online and everyone wants to sell you their proven system for Internet riches It s hard to tell what s a scam and what s legit Real World Examples This book offers 10 real world examples of how regular people just like you and me are earning side hustle income outside of traditional employment Many have even turned these part time ventures into full time businesses throwing off the shackles of their corporate overlords for good And the cool thing is there are no special technical skills or prerequisites to get started with any of the ideas presented Most don t require any big scary upfront investment Why Side Hustle Build Skills Build Security Build Income Build Freedom My Story After college I did what you re supposed to do I got a job The problem was almost

immediately I found myself looking for a way out It wasn't that I hated the work or my coworkers but it just wasn't what I wanted to do with my life The thought of spending my next 30 years there was terrifying So evenings and weekends I turned my attention online I'd been dabbling with building rudimentary websites learning online advertising channels and even running my own small marketing campaigns for other company's products to test the waters And that's what The Side Hustle Path is about finding a low risk way make more money If you're looking for a get rich quick scheme or the secret to overnight success you won't find it here But what you will find are 10 down to earth entrepreneurs who were once sitting in your same position They felt the same fears and uncertainties but took action anyway What are you waiting for Scroll up and download your copy now
