[The Theology of Dallas Willard](#) Gary Black,2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith

Multireligious Third Millennium conference sought to reconcile a century of seismic shifts in the worldwide landscape of the church with its ongoing mandate to make disciples of all nations Arising out of that recent conference Walk Humbly with the Lord presents a broad multinational spectrum of contemporary approaches to both theology and missiology Recognizing that the old Western notion of Christendom which formed the cultural backdrop of Edinburgh 1910 is now long obsolete the book s twenty seven forward thinking contributors respond to globalization and the enormous growth of religious pluralism worldwide offering reflections on the future of missiology and the relationship of church and mission Together they speculate about the possible shape of Christianity in a multireligious age as God works out new and unforeseen schemes in the reconciliation of the world I wish I could have been at the conference from which this book comes Viggo Mortensen and Andreas Nielsen have assembled a marvelous collection of reflections on mission that will be especially helpful to Christians committed to living faithfully and missionally in today s pluralistic world If a new postsecular reality is emerging as some are saying these essays will help the church be a sign of hope and stability in such a new age Stephen Bevans SVD Catholic Theological Union Chicago [The Gospel after Christendom](#) Ryan K.
