## **Soul Medicine Soul Medicine:**

*Soul Medicine* Edward Tick, 2023-01-17 An in depth look at ancient Greek practices for profound lasting healing Explores hidden soul healing practices including dream incubation and interpretation as well as sacred pilgrimage Examines how dreams visions and other non normative events reveal the conditions needed to restore the soul and facilitate healing Includes successful healing techniques practices and case studies to reveal how healings are achieved with these methods The modern practice of medicine and psychology grew out of the ancient Greek healing tradition said to be founded by Asklepios god of healing and dreams For two thousand years the system spread all over the Mediterranean world and planted the roots of Western medicine and psychology by offering ritual and holistic practices that recognized that healing begins at the soul level Yet since that time the spiritually based practices were cast aside leaving behind only the scientific medical techniques that dominate health care today Resurrecting and restoring the sacred mythological and cultural origins of medicine and psychotherapy Edward Tick Ph D explores the soul healing practices missing in our contemporary health systems He looks at the dream incubation tradition of Asklepios sacred theater of Dionysos oracle gifting of Apollo special practices of warriors and their roots in Neolithic shamanism and indigenous traditions Demonstrating the ritual use of dreams visions oracles synchronicities and pilgrimage for healing and connecting to the transpersonal and divine he explains how dream incubation is a technique in which you plant a seed for a specific healing or growth goal Using both ancient wisdom and modern depth psychology alongside stories of healings from his more than 25 years of guiding Vietnam veterans on Greek pilgrimages Tick explores how we all can use ancient healing philosophies and practices to achieve holistic healing today He examines the interaction between mind and body psyche and soma and between physical illness and the soul to heal PTSD and trauma He explains the art of making accurate and holistic interpretations of signs symbols and symptoms to determine what they reveal about the soul Showing how dreams and other transpersonal experiences are essential components of soul medicine the author reveals how restoration of the soul facilitates true healing

**Soul Medicine** Eric Rolf, 2008-02-12 *Soul Medicine* Judith Boice, 2016-07-21 Every now and again one comes across a book that opens the heart and lets the soul sing Such a book is a window on the wonder and joy the beauty and the depths of the world around us Such a book leads us from one jeweled insight to another like the Genii giving Aladdin a tour of the treasure cave Once found such a book joins a precious few in a privileged place on one s bookshelf to be taken down re read and savored over and over Soul Medicine is exactly such a book With exquisite prose it transcends its pages to become a heart s companion delivering exactly what its title promises Outstanding David Spangler Author and Spiritual Teacher Dr Judith Boice has a rare skill that few will ever grasp She is a healer with an in depth understanding of the mechanics behind the art of healing From the wisdom of the elders whom she has studied under and her learnings of the complexity of traditional and modern medicine today this medicine woman understands not only how to prescribe and predict results but also with these mystic skills how to

*Plato's Charmides* Raphael Woolf, 2023-08-10 Plato's Charmides is a rich mix of drama and argument Raphael Woolf offers a comprehensive interpretation of its disparate elements that pays close attention to its complex and layered structure and to the methodology of reading Plato He thus aims to present a compelling and unified interpretation of the dialogue as a whole The book mounts a strong case for the formal separation of Plato the author from his character Socrates and for the Charmides as a Platonic defence of the written text as a medium for philosophical reflection It lays greater emphasis than other readings on the

centrality of eros to an understanding of Socratic procedure in the Charmides and on how the dialogue's erotic and medical motifs work together. The book's critical engagement with the dialogue allows a worked out account to be given of how temperance, the central object of enquiry in the work, is to be conceived.

**Ayahwasca** Javier Reguerio, 2014-07-31 More and more people from all walks of life and spiritual and religious backgrounds feel drawn to ayahuasca in often surprising ways. In *Ayahwasca: Soul Medicine of the Amazon Jungle*, author Javier Regueiro offers a guide for those new to the use of this powerful medicine that originates in the Amazon rainforest. Javier Regueiro not only provides general information about ayahuasca but he bridges the cultural gap between the native and the current use of ayahuasca by Westerners. This guide offers background about the plant medicine, its history, and how to engage with and learn through its use. It includes stories of Javier's personal experience of transformation as well as stories from those he's guided in ceremonies. Addressed to the ever-increasing number of people who approach this medicine for their own personal healing and development, this guidebook provides clear and practical advice on how to use this therapeutic modality in a fashion that is meaningful to modern people for a maximum of benefit.
