Flowing River received over 1000 poems over a span of 5 years and compiled the various points of perspective as his heart and consciousness expanded throughout his journey. These poems were direct transmissions from his highest self that led him to the next step in the pathless path. Laugh, cry, and remember as each poem takes you to a specific juncture that so many of us share along the way in our eventual return to the ocean of oneness. The book is formatted in a specific order that takes you from the moment that one becomes aware of the battle between the ego and the heart, the trials and tribulations of opening the heart and into the blossoming of the heart as unconditional love. Ultimately this leads to the mystical marriage, the holy matrimony, the divine union between god and man. Each poem takes you deeper into the great mystery, leading you step by step up the staircase to heaven with profound insights, downloads, and activations that will help you unlock the mental blocks that you may be stuck in at that moment in time. On Being and Becoming Oneself, and the first edition of his newest work, Peace Within, Clear Your Mind, Open Your Heart, Embrace Your Soul, and Heal Your Life. These poems document his journey of his first vision fast and soul initiation in the wilds of Montana and Alberta with his experience at such places as Two Medicine and Glacier National Park to guiding wilderness based rites of passage and solstice dances. The poetry that emerged during this decade was deeply influenced by his encounter with Native American culture and playing the Native American styled flute which he has become well known for and figure prominently in his many recordings. Moments is divided into 5 parts: Being, Moments, Twilight, Moments, Journey, Moments, Earth, Moments, and Human. DeMaria dedicates the book to All who dwell or seek to dwell in the pure possibility and divinity of this moment.
