Uncommon Paths to Self-Understanding

A small sailboat with a single mast and a single sail is positioned in the lower right quadrant of the image. The boat is white with a dark sail. The water is dark and textured with small white caps, suggesting a choppy sea. The sky above is dark and filled with soft, glowing clouds, creating a serene and somewhat mysterious atmosphere.

The Extraordinary Healing Power of Ordinary Things

Larry Dossey,2007-06-05 Every day modern medicine announces the arrival of yet another wonder drug or miracle procedure to a world increasingly wary of expensive high tech cures Drugs transplants and surgery don t work for 90 percent of our aches and pains and while we are grateful for life saving developments we know that most come with risks that we ignore at

our peril Long hailed as one of the founding fathers of mind body medicine Larry Dossey directs our attention to simple sources of healing that have been available for centuries treasures often hidden in plain sight from the power of optimism and of tears to speed recovery to the surprising usefulness of dirt and bugs in curing disease and infection to the benefits of doing nothing Exploring the medical research that validates these simple remedies Dossey encourages us to align ourselves with the wisdom of nature and allow true healing to take place The Extraordinary Healing Power of Ordinary Things can transform our view of what health is all about whether our concern is cancer or the common cold
