 **Groover**

A person is seen from behind, sitting at a desk in a recording studio. They are looking at a computer monitor which displays a software interface. On the desk, there is a large mixing console with many knobs and sliders. Two large studio monitors are on either side of the person, and two smaller ones are in front of the desk. In the background, there is a glass-enclosed booth. The overall lighting is dim, typical of a studio environment.
