Staline, oeuvre d'art totale Boris Groïs,1990    *La totalité* Christian Godin,1997    *A Companion to Modern and Contemporary Latin American and Latina/o Art* Alejandro Anreus,Robin Adèle Greeley,Megan A. Sullivan,2021-11-09 In depth scholarship on the central artists movements and themes of Latin American art from the Mexican revolution to the present A Companion to Modern and Contemporary Latin American and Latinx Art consists of over 30 never before published essays on the crucial historical and theoretical issues that have framed our understanding of art in Latin America This book has a uniquely inclusive focus that includes both Spanish speaking Caribbean and contemporary Latinx art in the United States Influential critics of the 20th century are also covered with an emphasis on their effect on the development of artistic movements By providing in depth explorations of central artists and issues alongside cross references to illustrations in major textbooks this volume provides an excellent complement to wider surveys of Latin American and Latinx art Readers will engage with the latest scholarship on each of five distinct historical periods plus broader theoretical and historical trends that continue to influence how we understand Latinx Indigenous and Latin American art today The book's areas of focus include The development of avant garde art in the urban centers of Latin America from 1910 1945 The rise of abstraction during the Cold War and the internationalization of Latin American art from 1945 1959 The influence of the political upheavals of the 1960s on art and art theory in Latin America The rise of conceptual art as a response to dictatorship and social violence in the 1970s and 1980s The contemporary era of neoliberalism and globalization in Latin American and Latino Art 1990 2010 With its comprehensive approach and informative structure A Companion to Modern and Contemporary Latin American and Latinx Art is an excellent resource for advanced students in Latin American culture and art It is also a valuable reference for aspiring scholars in the field    *The Art Firm* Pierre Guillet de Monthoux,2004 The Art Firm explores the seemingly unorthodox alliance of the arts management and marketing Art firms as avant garde enterprises and arts corporations have existed for at least two hundred years using texts images and other types of art to create corporate wealth This book investigates how to apply the methods artists use in creating value to the methods more traditional managers use in running their businesses Guillet de Monthoux offers a crash course in aesthetics from Kant to Gadamer showing how aesthetic management and metaphysical marketing can create value Using case studies of successful art managers from Richard Wagner to Robert Wilson the author illustrates the creative role so central to value making in contemporary economies performed by aesthetic play in art firms Along the way Guillet de Monthoux points out how responsible aesthetic management and marketing can eradicate the problems of banality and totality the two capital sins of an art based economy
