

## Standard Practices Manual (SPM) Workshop Objectives

- To provide parties the opportunity to better understand and comment on specific aspects of the Standard Practice Manual tests used to determine cost-effectiveness.
- To determine the extent to which the differences between the different types of demand-side programs require differences in the application of the SPM tests.
- To provide parties the opportunity to determine whether modifications to the SPM test structure or inputs are necessary to improve cost-effectiveness analysis of demand-side programs.
