History and Critical Analysis of Blake's 7, the 1978-1981 British Television Space Adventure John Kenneth Muir, 2015-09-15 Blake's 7 Terry Nation's science fiction tale of cosmic freedom fighters became a hit series in Great Britain when it premiered in 1978. Eight years later the show quickly became a cult program in America. A dramatization of futuristic outlaw heroes who defend the innocent from both alien and human conquering forces, the series might better be said to be equal parts Robin Hood and The Magnificent Seven. The series defied traditional genre elements of science fiction television and developed the concept of the continual story arc years before such shows as Babylon 5 and Deep Space Nine. This book provides a critical history and episode guide for Blake's 7 including commentaries for all 52 episodes. Also included are analytical essays on the show dealing with such topics as themes, imagery, and story arc; a consideration of the series as a futuristic Robin Hood myth; cinematography and visual effects; and an overview of Blake's 7 in books, comics, and videos. A detailed appendix lists the genre conventions found in the series. The author also includes information about Blake's 7 fan clubs and Internet sites.

The Opposite of Depression David M. Carreon, MD, 2024-04-09 There's hope for greater satisfaction, purpose, and joy in your life even if circumstances have you down. Stanford-trained psychiatrist David Carreon, MD, reveals what it takes to move from nagging disappointment, dissatisfaction, or depression to a life of thriving. One of the pioneers of the use of an intense form of transcranial magnetic stimulation (TMS) in severely depressed patients, Dr. Carreon was astonished by how quickly and dramatically most of them recovered. But he also saw very clearly that just eliminating the symptoms of depression wasn't enough. To live a truly fulfilling life, his patients needed to leave old habits behind and embrace the patterns of flourishing. In *The Opposite of Depression*, he draws on insights from his clinical experience, the latest research, and his Christian faith to point readers to principles and practices that promote thriving in mind, body, and soul. Each chapter offers practical steps readers can take to start moving in the direction of greater satisfaction, fulfillment, and purpose.

If Two Trains Are Traveling in Opposite Directions . . . I Don't Care What the Apples Cost Michelle Gussow, 2015-09-18 Using observations from the author's own life, this book shares memories of things not so funny at the time but recollected on with humor in a way that everyone can relate to and find familiarity in his or her own life experiences. Michelle Gussow's amusing reflections of growing up Jewish in the Midwest triggered many memories and evoked a certain nostalgia. Whether she is reflecting on felt boards in nursery school, being an overzealous television watcher, or recalling a pasta salad that ruined a Bar Mitzvah, she strikes a chord and brings a smile. Jon Bernstein, Screenwriter, Ringmaster.

Against the Wind Bob Weisman, 2021-12-05 *Against the Wind* A Story From The Lost Generation is the story of Bob Weisman, a snit kicker from Gem City Confusion as Bob likes to describe himself.
