legal researchers to be better informed about the Chinese legal system and its real version of rule of law In other words this book likes to describe the real judicial practice in China and summarize how Chinese lawyers understand and facilitate the production of civil judgments Moreover this book intends to focus on the adjudicative techniques in the civil litigation which should constitute the mutual basis of most civil justice Even there is no well developed theory under the name of Adjudicate Techniques in some jurisdictions it is not uncommon to discover some principles methods institutions and practical operation which is functionally and substantially comparable to the ones in other civil justice systems

The Lyon Terence Giulia Torello-Hill,Andrew J. Turner,2020-10-20 In The Lyon Terence Giulia Torello Hill and Andrew J Turner take an unprecedented interdisciplinary approach to map out the influence of late antique and medieval commentary and iconographic traditions over this seminal edition of the plays of Terence published in Lyon in 1493 and examine its legacy The work had a profound impact on the way Terence s plays were read and understood throughout the sixteenth century but its influence has been poorly recognised in modern scholarship The authors establish the pivotal role that this book and its editor Badius played in the revitalisation of the theoretical understanding of classical comedy and in the revival of the plays of Terence that foreshadowed the establishment of early modern theatre in Italy and France Transactions of the Fifteenth International Congress on Hygiene and Demography, Washington, September 23-28, 1912: pt.
