Gary Michaels,2021-12-09 If you re a young Christian dealing with unwanted same sex attraction you need guidance from someone who has been in the same predicament Gary Michaels a former missionary and founder of Be Equipped Ministry shares his own struggles with same sex

attraction in this guide for anyone trying to navigate a road paved with sexual brokenness. Full of practical advice and resources, the guide answers questions such as: Can admitting sin lead to freedom and recovery? Do your attractions and feelings define who you are? Why doesn't God answer your prayers to stop unwanted attraction? Does God really care about your sexuality? Whether you've acted upon your attraction to someone of the same sex or have only thought about it, this book offers hope. The God of the universe loves you and longs to meet with you right where you are. He desires to walk beside you even in the middle of your brokenness. This book is rooted in Scripture and will bolster your understanding of your identity in Christ, help you find biblical truth, and give you practical guidance in dealing with unwanted attractions. [One Man and One Woman](#) Joel R. Beeke, Paul M. Smalley, 2016-03-25

What does the Bible teach about sexual relationships between people of the same sex? Does true love require that we accept all forms of sexual expression? No, real love does not rejoice in sin but rejoices in the truth. In the Bible, God reveals that He created gender, sex, and marriage, and we may not alter them at our will. Through His laws and works in history, God has made it clear that homosexual practices violate His holy purposes for mankind. The New Testament reaffirms God's created order and moral laws. It too warns that homosexual practice, like any other sin that we cherish, is the pathway to God's judgment. However, the Lord Jesus Christ saves sinners by His Spirit and gives them a new identity, forgiveness, life, and power to live according to His commandments. This is the message that all people need to hear: God's laws have not changed, but God's grace offers hope to sinners through Jesus Christ.

SAINTS not sinners Kevin Don Levellie, 2015-07-15

Christians are SAINTS. They are not sinners in the present tense; saved by grace. Sinners is what they used to be. The Bible nowhere teaches that a Christian has a sin nature or can be labeled a sinner. This is established through examination of the three terms: sinners, Saints, and flesh, from a linguistic view as well as from their context in scripture. Additionally, there is a comprehensive search of the scriptures on the nature of the Saint. This will empower every Christian to live what he knows. *Talking with Teens about Sexuality* Beth EdD Robinson, Latayne C. PhD Scott, 2021-02-16

When Dr. Robinson asked her freshman psychology students what today's parents need to know about teens and sex, they said: parents do not have a realistic view of the world their children live in. A healthy sexual identity requires more than just a list of what not to do. In today's culture of sexual identity confusion, ubiquitous pornography, and MeToo, teenagers need to know how to protect themselves as well as how to treat others. Talking with Teens about Sexuality will help you understand your teen's world and give you effective strategies in the midst of cultural pressures. Drs. Robinson and Scott provide scientifically reliable and biblically based information about gender, fluidity, types of intimacy, online dangers, setting boundaries, and much more. Along the way, the book provides useful conversation starters and insightful guidance. Don't let fear keep you from engaging in vital conversations.
