Servant Leadership, Social Entrepreneurship and the Will to Serve Luk Bouckaert, Steven C. van den Heuvel, 2019-11-28 This book brings together a number of important essays on the intersection of servant leadership and social entrepreneurship examining them through a shared focus on the will to serve This combination bears out the insight that inspiring social and economic leaders are able to transform a conflictual human settlement into a collaborative and caring human community The book seeks to answer the question of whether we can induce from their way of doing things a model of civic entrepreneurship and leadership that can inspire people in profit non profit and public organizations It also examines the extent to which the will to serve is compatible with the will to maximize profit or the will to gain economic political or religious power Furthermore it asks how far different spiritual traditions create different models and examples of servant leadership and social entrepreneurship This book will be of interest to researchers working in the fields of business ethics business spirituality and corporate social responsibility

A Journey in Search of Wholeness and Meaning Rupert Clive Collister, 2010 This book explores the concept that the reality which is created by the consciousness inherent in the Western worldview is exceptionally limiting and probably unsustainable After describing the contexts within which the book was written the author documents his personal journey in search of wholeness and meaning From his experience of this journey he suggests that the wisdom insight and praxis contained within what he describes as the meta narratives of Holism Indigenous cultures and Eastern traditions are manifestations of a holistic consciousness The

author explores the concept that a shift to such a holistic consciousness is required in order to redress the imbalance that is evident in all humanity's relationships and he suggests that enabling such a shift in consciousness would have deep implications for the concepts and contexts of community adult learning meaningful work and sustainability *Hermann Hesse's Global Impact* Oscar Von Seth, 2024 A timely collection of new essays arguing for the continuing relevance and impact of Hesse's works around the world Hermann Hesse remains one of the great figures of world literature He is the world's 35th most translated author with more than 1 500 translations of his works currently listed on UNESCO's Index Translatorium Our understanding of the reciprocal transcultural reception of literature has been radically transformed in the last two decades starting with David Damrosch's *What is World Literature* 2003 Meanwhile some forty years have passed since Martin Pfeifer's anthology *Hermann Hesses weltweite Wirkung* Hermann Hesse's *Worldwide Impact* was published which means it is time to consider Hesse's global impact again though not in terms of a country by country study Rather this book explores Hesse's continuing global relevance more broadly Hesse is global in the sense that his themes touch on the non material side of human existence in a way that readers in different cultural communities respond to His prose and poetry offer an oasis of calm authenticity and spirituality a mental terrain of profound and genuine meaning The present collection of new essays argues that this spiritual capital may help readers of Hesse in uncertain times beyond the doctrines of organized religions or ideologies assisting them in inhabiting creatively both the world of literature and the visceral world of the early 21st century Edited by Ingo Cornils and Neale Cunningham Contributors Flavia Arzeni Zhan Chunhua Thomas Cyron Helga Esselborn Krumbiegel Carina Gröner Karl Josef Kuschel Thomas Taro Lennerfors Volker Michels Christopher Newton Shrikant Arun Pathak John Pizer Adam Roberts Oscar von Seth Christiane Schönfeld Laszlo V Szabo Girishsha Ameya Tilak Jennifer Walker Yoichi Yamamoto Michal Zawadzki

Leadership for the Greater Good Ebener, Dan R., Jalšenjak, Borna, 2021 Argues that leadership can emerge from anywhere in any context or any organization The use of coercive command and control methods fails to engage others in a leadership process But those in authority can choose to lead and can choose to create the structures and build a culture that encourages leadership

Leadership Matters in Catholic Education Sean Whittle, Quentin Wodon, 2024-05-26 This edited collection is the first part of a two volume set which focuses on leadership in Catholic education settings in the United Kingdom It includes an overview of the importance of different types of leadership including servant leadership in understanding and framing Catholic school practice a critical survey of why leadership matters to ensuring the success of Catholic education and a discussion of what counts as the defining characteristics of leadership in Catholic education and how this relates to the aims or philosophy of Catholic education The chapters in this book draw from the insights and experiences of serving Catholic school leaders as well as from academics and researchers in Catholic education studies The final two chapters provide a comparative analysis for the United Kingdom in a global perspective using data from the Organisation for Economic Co operation and Development OECD Together the

chapters argue that there is an urgent need to find nurture and sustain outstanding leaders for Catholic schools and colleges
