Mary Magdalene from the New Testament to the New Age and Beyond Edmondo F. Lupieri, 2019-10-14 An international team of twenty scholars under Edmondo F. Lupieri's direction produced *Mary Magdalene from the New Testament to the New Age and Beyond* While the historical figure of the Magdalene may be lost forever the construction of her literary images and their transformations and adaptations over the centuries are a lively testimony to human creativity and faith Different pictures of Mary travelled through time and space from history to legend and mythology crossed religious boundaries going beyond the various Christianities to become a sign of contradiction for many This book describes a special case of biblical reception history that of the New Testament figure of a woman whose presence at the side of Jesus has been disturbing for some but proves to be inspiring for others **The Four Gospels of Jesus the Christ** Robert Luthmers, 2011-07-30 The purpose of this book is to feature the Gospels of Jesus the Christ in an authentic canon apart from the patriarchal language framework of the New Testament By that I mean that the gospels have been translated into a language framework that clarifies the truth of the Gospels by eliminating the bias and obscurities of patriarchy gender anti-Semitism and the sixteenth century's distortions inherent in King James I's promotion of the divine right of kings From the discoveries and research over the last fifty years I have been inspired by the Gospel of Mary the Gospel of Thomas and writings on the Aramaic basis of the Gospels where the authentic voice of Jesus is made accessible **ORMUS the Secret Alchemy of Mary Magdalene ~**

Revealed ~ [Part A] William Hearsh, Tuatha De Dannan, 2024-05-08 FIRST EDITION RETIRED from the market not available as a NEW Book **Evil Gods and Reckless Saviours** Timo Eskola, 2011-09-09 Late twentieth century Jesus novels carve

out a completely new picture of Jesus Those written by Norman Mailer Jos Saramago Michale Roberts Marianne Fredriksson and Ki Longfellow among others provide inversive revisions of the canonical Gospels Their adaptations often turn into a critique of the whole of Christian history The contrast novels investigated in this study end up with appropriations that are based on prototypical rewriting They aim at the rehabilitation of Judas and some of them make Mary Magdalene the key figure of Christianity Saramago describes God as a bloodthirsty tyrant and Mailer makes God battle the devil in a Manichaean sense as with an equal The main result of this intertextual analysis is that these authors have adopted Nietzschean ideas in their writing An attack on the so called biblical slave morality and violent concept of God deprives Jesus of his Jewish

messianic identity makes Old Testament law a contradiction of life calls sacrificial soteriology a violent paradigm supporting oppression and presents God as a cruel monster As a result Jewish faith appears in a negative light Apparently Western culture still harbours anti Judaic attitudes albeit hidden beneath sentiments of equality and tolerance Timo Eskola skillfully shows that despite the evident post Holocaust consciousness present in the novels they actually adopt an arrogant and ironic refutation of Jewish beliefs and Old Testament faith ORMUS the Secret Alchemy of Mary Magdalene Revealed ,2007-12
