Awake and Arise the Dying of the American Church Dr. Stan Mars,2019-09-05 The majority of churches in America are either dying or dead. This is due to the sin of disobedience by man through the rejection and refusal to obey the commandments of God especially in John 13 34 35 and Matthew 28 19 20 Jesus commands us to GO into all nations and make disciples and this is an act of love for God and others. You will learn that most churches are not in this business so they do not make any disciples and importantly they don't make leaders of disciples. Awake and Arise calls for the reformation of the American Church to begin to do God's church God's way. If the church will adhere and obey they will find revival offered by God. If the church continues to refuse they will find the same experience that the Church of Laodicea found in the spewing out by Jesus Christ. To the glory of God let us be humble and pray for forgiveness and move to God for His blessings to begin this journey.

Transformational Groups Ed Stetzer, Eric Geiger, 2014 God declared through the Apostle Paul that the church would be a place of transformation. In 2 Corinthians 5 17 we find Therefore if anyone is in Christ he is a new creation old things have passed away and look new things have come. Despite this the church seems increasingly to be a place where transformation fails to occur. Surveying the landscape however there are some bright spots where churches are faithfully producing transformed disciples. Furthermore as shown in Scripture and supported by new research God designed such transformation to often happen in the context of smaller groups of people. But what characteristics are true of churches that are making transformed disciples through group based ministry whether small groups missional communities Sunday school or some other expression of groups. In Transformational Groups Ed Stetzer and Eric Geiger have created a new scorecard that will provide a map to transformational success for your church's groups ministry. Using data from the largest survey of pastors and laypersons ever done on the condition of groups in the church they define a simple process to lead your groups from where they are to where God wants them to be.
