## **The Shallow End Of Sleep Poems:**

**The Shallow End of Sleep** José Antonio Rodríguez, 2011 Jos Antonio Rodríguez's poetry is one of memory both private and public. It is grounded in storytelling and lyricism that reveal a speaker's developing awareness as he traverses borders of nation, language, class and sexuality. The poems move back and forth between a home left behind on the south side of the Rio Grande and a new home on the north side. Both awe struck by and apprehensive of the world around him, the speaker searches for a way to claim a new space, a place of belonging. Through these poems both lyrical and narrative, tender and tense, familiar and estranging, the poet invites us to examine the very concept of home: how we define it, what constitutes it, the ways it can be destabilized and how in the most trying times we must learn to sustain the hope of it in our hearts. [House Built on Ashes](#) José Antonio Rodríguez, 2017-02-10

The year is 2009 and José Antonio Rodríguez, a doctoral student at Binghamton University in upstate New York, is packing his suitcase, getting ready to spend the Thanksgiving holiday with his parents in South Texas. He soon learns from his father that a drug cartel has overtaken the Mexican border village where he was born. Now, because of the violence there, he won't be able to visit his early childhood home. Instead, his memories will have to take him back. Thus, Rodríguez begins a meditative journey into the past. Through a series of vignettes, he mines the details of a childhood and adolescence fraught with deprivation but offset by moments of tenderness and beauty. Suddenly, he is four years old again and his mother is feeding him raw sugarcane for the first time. With the sweetness still on his tongue, he runs to a field where he falls asleep under a glowing pink sky. The conditions of rural poverty prove too much for his family to bear and Rodríguez moves with his mother and three of his nine siblings across the border to McAllen, Texas. Now a resident of the other side, Rodríguez experiences the luxury of indoor toilets and gazes at television commercials promising more food than he has ever seen. But there is no easy passage into this brighter future. Poignant and lyrical, [House Built on Ashes](#) contemplates the promises, limitations and contradictions of the American Dream. Even as it tells a deeply personal story, it evokes larger political, cultural and social realities. It speaks to what America is and what it is not. It speaks to a world of hunger, prejudice and far too many boundaries. But it speaks as well to the redemptive power of beauty and its life-sustaining gift of hope.

**Rebozos de Palabras** Gabriella Gutiérrez y Muhs, 2013-03-14

Helena María Viramontes is a professor, scholar, activist and renowned author of works of fiction and nonfiction. Her work has been anthologized and is read widely in the United States and abroad. For many of her readings and speaking engagements, she arrives wearing a rebozo, a shawl worn by Mexican and Chicana women living on both sides of the US-Mexico border. Once, when asked about her rebozo, Viramontes explained that the pre-Columbian icon is her security blanket, which she embraces in order to find comfort. For her readers, her writing functions like a rebozo de palabras, a shawl woven with words that nurture. As Gabriella Gutiérrez y Muhs points out in her insightful introduction, not only has Viramontes's work not yet received the broad critical engagement it richly deserves, but there remains a monumental gap in the interpretations of Chicana literature that reach mainstream

audiences Rebozos de Palabras addresses this void by focusing on how the Chicana image has evolved through Viramontes s body of work With a foreword by Sonia Sald var Hull this collection addresses Viramontes entire oeuvre through newly produced articles by major literary critics and emerging scholars who engage Viramontes s writing from multiple perspectives

**Writing Poetry to Save Your Life** Maria Mazzioli Gillian,2014-09-05 **The Day's Hard Edge** José Antonio Rodríguez,2024-07-15 A radically open interrogation of queer Chicano identity In his fourth poetry collection Jos Antonio Rodr guez investigates how one constructs a relationship to the self to community and to poetry itself The Day s Hard Edge is composed of three sections the first of which situates the reader in the speaker s world one marked by multiple forms of trauma Here are the contours of the Texas Mexico borderlands where the speaker s initial sense of self and community emerges The second section broadens in scope and considers the potential and limitations of poetry as a site for meaning making The third section brings the speaker to a new understanding of the poem as it relates to the transformative and destabilizing experience of trauma Ultimately this book lays bare an individual and in doing so shows how poetry acts as a place of succor and vulnerability for one s very identity Together these poems explore what it means to be queer immigrant and Chicano

**Poems Read in the Spirit of Peace & Gladness** Doug Palmer,Tove Neville,1966 **To Let the Sun** John Allen Taylor,2025-03-03 Finalist 2025 Miller Williams Poetry Prize John Allen Taylor s debut poetry collection To Let the Sun opens with an invitation both generous and resolute take a walk with me I hope you ll come though I am going anyway These poems peel back the layers of recovery as an adult from childhood sexual abuse the myriad ways a body can change to protect itself from memory and the difficulty of looking at abuse head on Taylor uses a poetics of reclamation to write the child self from a perspective beyond trauma to document the messiness of survival the child s flight from himself and the uncertain path home to a life filled with small and perfect things Through hermit crabs and golden pothos fungal gnats and beet seed the speaker reclaims himself I am not lost I know memory is not healed by time but by the oddities with which we adorn our lives the fragilities we need to know we re needed by

**Here All Night** Jill McDonough,2019-10-17 Jill McDonough s latest collection is fiercely unapologetic transforming mundane moments into witty and provocative insights that closely examine the flaws in our quick moving society Using dark humor the poems address the impermanence of life and how we should always find reasons to re evaluate ourselves as empathetic beings over our selfish tendencies Here s Jill McDonough Here All Night belting out an endearing song of herself that is as Whitman s is tuned in to some thrumming undercurrent of joy in all the mess that is America The poems catalogue of the unwieldy stuff of domestic life ultimately insists that things are pretty good love endures friends come through there s plenty of gin Unabashed and boisterous McDonough s voice also coos with gratitude and aching tenderness A vital book in multiple senses read it and feel more alive Maggie Dietz

**Red-letter Poems by English Men and Women** ,1885 **This American Autopsy** José Antonio Rodríguez,2019-08-15

In this powerful collection of free verse poetry immigrant poet and memoirist Jos Antonio Rodriguez encapsulates the experiences of an artist and citizen caught between two worlds. At once deeply personal and thematically expansive these works offer a bracing look at the darker impulses of contemporary America. Saturated with allusions to family immigration sexuality and violence This American Autopsy is also an unsettling meditation on life and death. With its provocative title the collection calls to mind an image of our nation as a body awaiting examination to determine the cause of death. In this scenario the poet vacillates between various roles coroner pathologist and the body itself. Some of the poems in this collection look to the past events such as the Space Shuttle Challenger explosion or the author's first trip to an American grocery store. Others muse on more recent tragedies including the racial violence in Ferguson Missouri and the illicit drug trade. A few of the poems are written in Spanish and the volume concludes with two English translations of these poems which the author originally wrote in his native language. Even as he paints a vivid picture of American diversity Rodriguez exposes the deterioration of our nation broken promises failed prosperity the shattering of dreams. Intimate and urgent these timely dispatches from the Texas Mexico border reveal the tensions and contradictions of today's America. The Old Liberators Robert Hedin, 1998. Culled from over 25 years of writing Robert Hedin's New Selected Poetry collection reflects an elegant and image rich lyricism. Hedin's precise poems attain an astonishing emotional range and clarity of observation. Whether grounded in the author's native Midwestern soil or traveling the world these spare but powerful verses reveal the gifts of a contemporary master.

**The Poems and Ballads, First Series, and Songs Before Sunrise, of Algernon Charles Swinburne** Susan Mary Sexton, 1963 *The Wanderings of Oisin, and Other Early Poems to 1895* William Butler Yeats, 1994. Most of the newly discovered poems date from the mid 1880s and reveal how Yeats experimented with style stance and subject during the crucial years at the beginning of his poetic career. Nine others written in the 1890s display a more polished technique and many of these address the themes of Yeats's love for Maud Gonne and his occult interests. The editor's introduction to this volume will replace the familiar image of the young Yeats as dreamy and apolitical with a more accurate perception of him as a poet highly involved in the political and cultural issues of his day. **BOOK JACKET** The Book lover, 1903 *The Dark Glass* Ronnalie Roper Howard, 1972 *The English Dialect Dictionary, Being the Complete Vocabulary of All Dialect Words Still in Use, Or Known to Have Been in Use During the Last Two Hundred Years: F-M* Joseph Wright, 1900 **Rose-Belford's Canadian Monthly and National Review**, 1878 Familiar Quotations, 1891
