The Shaping Of Jewish Identity In Nineteenth Century France:

The Shaping of Jewish Identity in Nineteenth-century France Jay R. Berkovitz, 1994 The Shaping of Jewish Identity in Nineteenth-Century France Jay R. Berkovitz, 2018-02-05 Focusing on the ideology of regeneration Jay Berkovitz traces the social economic and religious struggles of nineteenth century French Jews Nineteenth century French Jewry was a community struggling to meet the challenges of emancipation and modernity This struggle with its origins in the founding of the French nation constitutes the core of modern Jewish identity With the Revolution of 1789 came the collapse of the social political and philosophical foundations of exclusiveness forcing French society and the Jews to come to terms with the meaning of emancipation Over time the enormous challenge that emancipation posed for traditional Jewish beliefs became evident In the 1830s a more comprehensive ideology of regeneration emerged through the efforts of younger Jewish scholars and intellectuals A response to the social and religious implications of emancipation it was characterized by the demand for the elimination of rituals that violated the French conceptions of civilization and social integration a drive for greater administrative centralization and the quest for inter communal and ethnic unity In its various elements regeneration formed a distinct ideology of emancipation that was designed to mediate Jewish interaction with French society and culture Jay Berkovitz reveals the complexities inherent in the processes of emancipation and modernization focusing on the efforts of French Jewish leaders to come to terms with the social and religious implications of modernity All in all his emphasis on the intellectual history of French Jewry provides a new perspective on a significant chapter of Jewish history *Rites and Passages* Jay R. Berkovitz, 2004 Delves into Jewish religion and culture at a time of profound social and political revolution in the wider European culture **French Nation Building, Liberalism, and the Jews of Alsace & Algeria, 1815-1870** Michael Robert Shurkin, 2000 **Jewish Culture and History**, 1999 *Rabbiner, Bocher, Talmudschüler* Isidor Kaufmann, 1995 **Le Reveil D'Israel** Nadia Donna Malinovich, 2000 **Moses Hess and Modern Jewish Identity** Ken Koltun-Fromm, 2001-07-31 Jewish Literature and Culture Alvin H Rosenfeld editor Published with the generous support of the Koret Foundation **The European Studies Journal**, 1996 Historical Reflections, 2006 *Divre Ha-Kongres Ha-'olami ... Le-mada'e Ha-Yahadut*, 1997 Proceedings of the ... Annual Meeting of the Western Society for French History Western Society for French History. Meeting, 2000 **Orthodox Judaism in Britain Since 1913** Miri Freud-Kandel, 2006 In 1991 just as Jonathan Sacks was acceding to the post of Chief Rabbi the United Synagogue the largest synagogal institution in British Jewry commissioned a report entitled A Time for Change This report identified the significant difficulties in which many of the Orthodox institutions of British Jewry found themselves the United Synagogue itself the Chief Rabbinate and the Bet Din its religious court It suggested that the root cause of the problems was a shift away from minhag Anglia a celebration of the twofold blessing of being Jewish and British This work examines the thought and influence of the three Chief Rabbis whose terms in office have begun and ended during the twentieth century It follows the theological

shifts that have occurred amongst the religious leadership of Orthodox Judaism in Britain and assesses the influence of factors such as immigration and the so called Jacobs Affair in effecting these changes The Jewish community in Britain provides a model of a religious minority group s attempt to secure its survival in the midst of a host society that espouses alternative values derived either from secularism or an alternative religious system Through an in depth analysis of the theology of Chief Rabbi Joseph Herman Hertz this work identifies a paradigm that was established for Jews in Britain of a strong and confident Orthodoxy that champions interaction in the host society The Chief Rabbinate of Israel Brodie and Immanuel Jakobovits were each influenced in different ways by the burgeoning influence of alternative models for Orthodox Judaism This work considers how this facilitated the displacement of the community s fervour for unity with religious polarisation and analyses how its religious leadership adopted a theology which seemed to call on Anglo Jewry to forsake its ideology of meaningful interaction to secure its religious identity
