   Albanian Urban Lyric Song in the 1930s Eno Koço,2004-06 This resource aims to introduce Western audiences to what is perhaps the least known heard or discussed urban folk music in Europe Although this music Albanian urban song is the most prominent of Albanian musical genres it has continuously been overlooked by musicologists in favor of rural folk music Some commentators have implied that Albanian urban music was not as genuinely Albanian as the music of its mountains and countryside But it is no less a part of the country s musical history particularly in the twentieth century and is equally as pure an expression of Albanian spirit and culture The author examines the indigenous diatonic and chromatic modes used in Albanian urban music and classifies them under traditional headings and as part of a newly established grouping here termed south western Balkan modes The core of the work is the analysis of Albanian urban lyric songs seen as an artistic version of the traditional Albanian urban songs When these songs began to enter the classical repertories the pioneers of the 1930s suggested that based on the Albanian urban songs the new genre should be developed into urban lyric song Whatever its origin whether Near Eastern or south western Balkan the composer arrangers and the lyric singers of the Albanian urban lyric song in the 1930s conceived them on the whole as Western vocal and instrumental products Complemented by two music CDs Albanian Urban Lyric Song in the 1930s provides musicologists students of Balkan music and curious readers with an enlightening discussion of a much overlooked but richly rewarding musical tradition   **The Ukrainian Quarterly** ,1992

Historical Dictionary of Albania Robert Elsie,2010-03-19 Albania is not well known by outsiders it was deliberately closed to the outside world during the communist era Now it has thankfully become free again its borders are open and it can be visited and it is increasingly integrating with the rest of Europe and beyond Unfortunately Albania has had its share of problems in the post communist era it s a land of destitution and despair thanks in part to the Albanian mafia which has turned the country into one of blood feuds kalashnikovs and eternal crises Yet Albania is in essence a European nation like any other and will soon it is to be hoped advance and take its proper place in Europe and the world The second edition of the Historical Dictionary of Albania relates the history of this little known country through a detailed chronology an introduction a bibliography appendixes and over 700 cross referenced dictionary entries on significant persons places and events institutions and organizations and political economic social cultural and religious facets *Albania's Captives* Pyrrhus J.
