The Singing Quilt The Quilt Series:

The Singing Quilt Kathi Macias, 2014-01-22 Jolissa Montoya believes God is calling her to work with the disadvantaged children in her inner city neighborhood. There's only one problem: The children wouldn't be able to understand her. Jolissa suffers from a speech impediment and has a thick accent because Spanish is her first language. Ridiculed through much of her youth, she is quite shy and reticent to speak. She is convinced that what God has spoken to her heart is impossible. Impossible that is until one day when her confidante shows her a quilt, a quilt that depicts the life of a courageous woman. Can another woman's courage move her to try the impossible and step out and follow God wherever He leads her? The Singing Quilt is set against the backdrop of the life of Fanny Crosby who, in addition to writing hundreds of songs, was also a well-known public speaker and active in Christian rescue missions despite her disability. Readers will be inspired not to let fear or a disability prevent them from answering what they think is God's impossible call. *The Singing Quilt* is the third book in the contemporary fiction Quilt series written by award-winning author Kathi Macias. The series focuses on various social issues including racial and pro-life issues. Supplemental online book club materials will be available at NewHopeDigital.com.

A Husband's Christmas Prayer Kathi Macias, 2016-09-05 *A Husband's Christmas Prayer* pulls back the curtain on struggles pastors and their families face. Pastor Paul has just been handed the promotion of his dreams but his formerly supportive wife doesn't share his sentiment about moving. She likes where she is: her home church family coffee with friends while the kids are at daycare. Why would they move? They both know there is a rift growing between them. As he ministers to difficult people, will he also be able to minister to his own family? *Return to Christmas* Kathi Macias, 2015-08-02 *Return to Christmas* beautifully blends the two struggling worlds of a former marine and a little boy with attachment disorder. Former Marine Chet is having a hard time adjusting to civilian life. He doesn't need help. He needs employment. He doesn't have issues. The little boy his friends adopted has issues. But there is something about that little boy that draws him. Will the events leading up to this Christmas be able to melt his soldier heart or will he spiral into a dark depression? *The Quilts of Gee's Bend* John Beardsley, Museum of Fine Arts, Houston, 2002 Relates the lives of the women of Gee's Bend, Alabama, who for more than 150 years have made quilts reflecting their history and daily lives. Having worked in isolation for generations and continuing to inhabit the remote plantation land their parents once slaved, they have received unexpected attention from the artistic world. *Godey's Lady's Book*, 1874 *Art Quilt Collage* Deborah Boschert, 2016-09-01 How to get from start to art.
