Real stories and actionable insights from a young author who transformed from a distracted gamer into a disciplined individual focused on exercise learning and building wealth through strategic life design [Now I Can Say I'm An Author](#) Josh Rolph,2023-05-05 An absurdist take on writing a book first time author Josh Rolph lays out in humorous self deprecating form a sit down comedian s dream of writing so many words that he can declare to the world he is an author The book is an exaggerated memoir and self help parody on book writing It exposes how his desperation to become an author far exceeds his desire to write a book yet after an impossibly long stretch of time making and breaking all self imposed rules he manages to get the job done The wannabe author does all he can to type words in order to produce a book so he can carry the author title for the rest of his life Just like becoming a mother Rolph authoritatively declares once an author always an author He continues The author credential can only be taken away if it s proved that you plagiarized And believe me the only thing plagiarized in this book is chapters four through twenty one In a familiar conversational style the book showcases everything from the joys of writing a preface at great length in the preface itself to the travails of upping the word count Woven throughout is a collection of filler material with essays ranging from yogurt to pants adapted from his obscure blog and podcast Two subsequent volumes will continue to follow the story of becoming an author of books vol 2 and a multi volume series vol 3 Full of essays on meandering topics Now I Can Say I m an Author proves that literally anyone can write a book Featuring essays on yogurt pants the death penalty tattoos the word pizzazz nakedness and much much oh so much more
