*The Strange Adventures of Rangergirl* Tim Pratt,2005-11-29 In this debut novel acclaimed short story author Tim Pratt delivers an exciting heroine with a hidden talent and a secret duty Witty and suspenseful here is a contemporary love song to the West that was won and the myths that shape us As night manager of Santa Cruz s quirkiest coffeehouse Marzi McCarty makes a mean espresso but her first love is making comics Her claim to fame The Strange Adventures of Rangergirl a cowpunk neo western yarn Striding through an urban frontier peopled by Marzi s wild imagination Rangergirl doles out her own brand of justice But lately Marzi s imagination seems to be altering her reality She s seeing the world through Rangergirl s eyes literally complete with her deadly nemesis the Outlaw It all started when Marzi opened a hidden door in the coffeehouse storage room There imprisoned among the supplies she saw the face of something unknown and dangerous And she unwittingly became its guard But some primal darkness must ve escaped because Marzi hasn t been the same since And neither have her customers who are acting downright apocalyptic Now it s up to Marzi to stop this supervillainous superforce that s swaggered its way into her world For Marzi it s the showdown of her life For Rangergirl it s just another day

**The Compleat Calhoon** Fender Tucker,2007-12 This 420 page chunk of paper contains the complete works of Fender Tucker including both of his books TALES FROM THE TOWER and WEED WOMEN AND SONG The first half is fiction and the second half reads like fiction but it s all true according to his memory of life as it was in Farmington NM in the 50s and 60s The book also contains the lyrics to every song he wrote back in the days he misspent as a guitar picking slugabed Ed Gorman wrote that he enjoyed thumbing through the many short memoirs which add up to a sort of autobiography Does someone like Fender

Montgomery, Charles Dwyer, 1905 What a Life! a Different Kind of Biography Nelson Herbert LaFountain, 2020-11-15 Herein are printed stories and poems I have written over the years in my own way of telling my story Rather than an autobiography I thought this may be a better way of presenting one's life rather than in one mundane book I began with a book and then I found I like to present my life this way These are truthful works and not fiction Some had memory holes that needed filling who said what or who I gave credit to but nothing that would take away from the story It's just the way I tell my life After all my life has been a series of short stories and poems not one continuous biography or even one long story I tried to keep them truthful at all times My poetry is not the deep thinking style but happenings in poetry form I hope you enjoy it The Chapter numbers are assigned to the places I lived when the stories happened not necessarily in the order that they happened You will find the stories and poems are not numbered I began writing short stories and poems before I started my book Then after a few stories I figured it would be a good way to write a book So this is it for good or ill and I am not an author with an extensive vocabulary by any stretch of the imagination I hope you'll forgive that They so I'm told are quite interesting and easy reading Take them like vitamins one or two a day I hope you will laugh and cry and enjoy The stories poems musings and thoughts in this book are the product of but not limited to a lifetime of memories love life pain and laughter It is a labor of love in an effort to sing the praises of those that deserve it the most and not for the writer For it was the people that this work was dedicated to that I have to thank for almost all the memories If it weren't for the people there would be absolutely no need for writing this book *Reports from Commissioners* Great Britain.
