The Social Context Of Birth The Social Context Of Birth:

The Social Context of Birth Caroline Squire,2003 All babies are born into a social context and all women give birth within a social context This is often neglected in the relentlessly technocratic modern culture of childbirth This book provides many valuable insights for midwives nurses obstetricians and health visitors into the many different lives experiences and expectations of women in their childbearing years This comprehensive guide provides an understanding of the impact of social circumstances on women giving birth their babies and families in the 21st Century Written by a team of experienced midwives and health professionals it also covers contentious areas of maternity care such as new reproductive technologies and the concept of fetal surveillance Overall it provides an essential understanding of how social issues can affect the birth process Book jacket

Sociological Life Course Research Matthias Wingens,2022-08-04 This introductory book provides an insight into sociological life course research and informs about its theoretical assumptions analytical concepts and main results Sociological life course research like biographical research has developed into an independent and fruitful field of research since the end of the 1960s It is true that half a century earlier in their famous study of The Polish Peasant in Europe and America 1918 20 Thomas and Znaniecki had already used life records to examine the connection between social change social structures and the life histories of individuals However such a research perspective was supplanted by other methodological conceptual approaches to empirical social research for over fifty years It was not until the 1960s that sociological interest in life course and biographical theoretical issues reawakened Today life course research is considered one of the most important conceptual innovations in sociology in recent decades The content The life course as a social construction What is life course research The life course as an institution Collective life courses generations cohorts and social change Structures of the life course Life course research a conceptual perspective Life course research quo vadis The author Prof Dr Matthias Wingens teaches sociology at the University of Bremen Bremen International Graduate School of Social Sciences BIGSSS

A Critical Introduction to Twentieth-Century American Drama: Volume 1, 1900-1940 C. W. E. Bigsby,1982-07-29 Eugene O'Neill Clifford Odets Left wing theatre Black drama Thornton Wilder Lillian Hellman Luigi Pirandello Arthur Miller

Human Behavior Theory for Social Work Practice Terry Koenig,Rick Spano,John Thompson,2019-03-06 Human Behavior Theory for Social Work Practice provides an in depth examination of human behavior theories and helps students apply each theory to social work practice Authors Terry Koenig Rick Spano and John Thompson cover a broad spectrum of theories including ecological psychological and sociopolitical before applying them to a wide range of case examples that represent different stages across the human lifespan Drawing from their extensive knowledge and experience in social work practice and teaching the authors also feature scholarly research and writing to support the understanding of the theoretical overview in each chapter

Family-centered Maternity Care Celeste R. Phillips,2003 Family Centered Maternity Care is an approach to providing care for women and their families that integrates pregnancy

childbirth postpartum and infant care into the continuum of the family life cycle as normal healthy life events The care provided is individualized and recognizes the importance of family support participation and choice Family Centered Maternity Care offers strategies and methods to bring this philosophy into maternity service operations in hospitals This text is intended to help physicians and nurses promote quality care for families in their practice It provides examples for developing Family Centered Maternity Care programs in hospitals policies and procedures for implementing such programs sample forms and even assessment criteria for hospitals to evaluate their level of compliance with Family Centered Maternity Care standards Family Centered Maternity Care is an effective method of ensuring patient and family education and involvement in care as well as providing the caregiver with a sense of fulfillment and commitment to care Family Centered Maternity Care is an incomparable resource to help all birth centers and hospitals achieve this optimum level of healthcare delivery

Normal Childbirth Soo Downe,2004-01-01 With the increasing risk of litigation in midwifery there is often a move to err on the side of caution and classify women as at risk even if they present with only a hint of a problem Reflecting the need for global professional standards this unique book presents the available evidence on normality in childbirth and proposes new approaches and paradigms for future research and practice Covering a variety of subjects international contributors present evidence based practical expertise on normal birth to help readers become aware of the wide parameters of normal in order to practice effectively and safely Explores the nature and implications of normal childbirth as opposed to birth with medical intervention Challenges the fundamental assumptions underpinning current beliefs and attitudes surrounding normal birth Synthesizes evidence to provide different ways of seeing normality and interpreting its meanings Provides a highly applicable reference for readers with an interest in the multiple aspects of normal birth With 18 expert contributors
