**Gender and Care in Teaching Young Children** Denise Hodgins, 2018-04-01. **Gender and Care in Pedagogical Relations with Young Children** is an exploration of how children educators and things become implicated in gendered caring practices. Drawing on a collaborative research study with early childhood educators and young children the author explores what an engagement with human and non human relationality does to complicate conversations about gender and care. By employing a material feminist analysis of early childhood education this book rethinks dominant Western individualist pedagogies in order to politically reposition them within a relationality framework. **MotorBoating**, 1952-01. **Heating, Piping, and Air Conditioning**, 1946.
