**The Sign in Sidney Brustein's Window** Lorraine Hansberry,2012-02-22 From the award winning author of *A Raisin in the Sun* comes one of the most electrifying classic masterpieces of the American theater an unforgettable portrait of a man struggling with his individual fate in an age of racial and social injustice Rich and warm and funny beautifully written *Los Angeles Times* *The Sign in Sidney Brustein's Window* along with *A Raisin in the Sun* are milestones in the American theater remarkable not only for their historical value but for their continued ability to engage the imagination and the heart It is drama of such clarity that one may return to it again and again and I expect emerge as deeply moved and each time the more illumined Miss Hansberry I am convinced doesn't know how to create a character who isn't gloriously diverse illuminatingly contradictory heart breakingly alive A personal odyssey of discovery a confrontation with others in the process of which Brustein discovers himself from the Foreword by John Braine With an Introduction by Robert Nemiroff

**Ticket Scalping** Kerry Segrave,2006-11-15 Ticket scalping is as much an American staple as apple pie Beginning as early as the mid 1800s scalpers known as sidewalk men were charging all the traffic would bear for event tickets Although these speculators were generally viewed as pariahs and public opinion was against the practice legal attempts to limit their activities were far from successful Boston enacted laws as early as 1873 while Pennsylvania followed suit in 1884 Still such measures did little good since some laws were declared unconstitutional and for the ones that were upheld the fines were negligible with jail time rarely served Over the years as moral objections to scalping dimmed the public became more tolerant as the practice became increasingly prevalent By the 1990s the capitalist mantras of free market and economic principles of supply and demand were even being used to justify the practice This volume details the ways in which scalping has changed over the years from a one man business to an agency controlled enterprise from performances by Jenny Lind to Billy Joel The book examines the general situation public opinion and legal perception of scalping for four distinct periods 1850 1899 1900 1917 1918 1949 and 1950 2005 Emphasis is placed on the ways in which public and legal perception of the practice has evolved over this period Scalping slowly gaining a more positive status has become more accepted as part of the economic practice of free markets
