**Facts and Other Lies** Ed Coper,2022-02-01 From fringe conspiracy theories to alternative facts a timely look at how we arrived in the fake news era Would your younger self believe the news of today An entire city block blown up by a suicide bomber on Christmas Day because he believed phone towers spread disease A Representative elected to the US Congress on a platform that Democrats are secretly harvesting an anti-aging chemical from the blood of abused children Angry rioters in furs and horns overrun the Capitol in a bloody carnage of insurrection The Prime Minister of Australia employing the wife of his friend who fronts a group the FBI has declared terrorists A global pandemic which even as they lie dying from it people refuse to believe exists Many who sat in shocked disbelief as these events beamed around the world asked the same question How did we get here For those rioters it was the culmination of a journey of online radicalisation that began with the weaponisation of disinformation by their political leaders and outrageously biased news commentators Facts and Other Lies puts fake news in its historical context and explains how disinformation has fractured society even threatening democracy itself It explains why disinformation is so potent and so hard to stop and what we can do to help prevent its proliferation in Australia where politicians and shock jocks are already operating from the same dark playbook It outlines how anyone can defuse disinformation in the home office or pub or wherever the deluded gather to spread their nonsense Be prepared This is a timely account of a growing malignancy affecting all modern democracies Kevin Rudd former Prime Minister of Australia Ed Coper keenly explains how lying has been normalised in right wing media both social and mainstream The Trump inspired

attack on the US Capitol on 6 January is just one consequence Coper deftly shows us what is to be done and offers some real solutions to restore trust in public discourse Malcolm Turnbull former Prime Minister of Australia Fascinating and terrifying illuminates so much about humans and social media Bri Lee author of Who Gets to Be Smart Read this book if you want to save democracy Wayne Swan former Deputy Prime Minister of Australia Few have mapped our information dystopia more effectively and entertainingly than Coper Bernard Keane Politics Editor Crikey Essential reading for anyone wanting to cut through the nonsense and get to the truth Eason Jordan former Chief News Executive CNN We live in a world that unfolds at a pace and with the violent twists and turns in the plot of a thriller This book captures the intensity of our politics and connects it to the science of misinformation a great read Professor Stephan Lewandowsky Chair in Cognitive Psychology University of Bristol

**Imagine It Forward** Beth Comstock,Tahl Raz,2018-09-18 FROM ONE OF TODAY S FOREMOST INNOVATION LEADERS AN INSPIRING PERSONAL APPROACH TO MASTERING CHANGE IN THE FACE OF UNCERTAINTY NAMED A 2018 BEST BUSINESS BOOK PICK BY FAST COMPANY AND WIRED UK Confronting change is incredibly hard both organizationally and personally People become resistant They are afraid Yet the pace of change in our world will never be slower than it is right now says Beth Comstock the former Vice Chair and head of marketing and innovation at GE Imagine It Forward is an inspiring fresh candid and deeply personal book about how to grapple with the challenges to change we face every day It is a different kind of narrative a big picture book that combines Comstock s personal story in leading change with vital lessons on overcoming the inevitable roadblocks One of the most successful women in business Comstock shares her own transformation story from introverted publicist to GE s first woman Vice Chair and her hard won lessons in shifting GE a 125 year old American institution toward a new digital future and a more innovative culture As the woman who initiated GE s Ecomagination clean energy and its and NBC s digital transformations Comstock challenged a global organization to not wait for perfection but to seek out emerging trends embrace smart risks and test ideas boldly and often She shows how each one of us can become a change maker by leading with imagination Ideas are rarely the problem writes Comstock What holds all of us back really is fear It s the attachment to the old to What We Know As Comstock makes clear transforming the mindset and culture of a company is messy There is no easy checklist It is fraught with uncertainty tension and too often failure It calls for the courage to defy convention go around corporate gatekeepers when necessary and reinvent what is possible For all those looking to spearhead change in their companies and careers and reinvent the way things are done Imagine It Forward masterfully points the way
