Shooting To Win Elouise Tynan, 2022-05-03 Perfect for fans of Elle Kennedy's Off Campus and Briar U hockey series or Meghan Quinn's Brentwood Boys baseball series ADAM VAN VANDENBERG It all started one drunken night when she was a sweet and innocent freshman and I was a cocky overconfident sophomore I've never forgotten the night we spent together but life is complicated and I let it get in the way But the universe has thrown us back together and now that I'm newly single I can't stop thinking about her So it's a damn shame my dream girl wants absolutely nothing to do with me I'm determined to shoot my shot one last time though And this time I'm shooting to win STELLA LECROY I swear the universe is trying to punish me Why else would my man eating cousin who betrayed me in the most hurtful of ways end up at Pierson University with me Or why I'd be forced to spend time with the one boy I can't stand the sight of Not that looking at him is a hardship He's a charming ripped and insanely hot basketball player But being around him brings back memories of that night one that turned me into the worst kind of girl Only now that we have to co-exist I'm having a hard time reconciling the nefarious guy I thought he was back then with the sweet attentive selfless one in front of me Did I really get him so wrong Or is he just that good at playing the game *Kings of the Garden* Adam J. Cribblez, 2024-04-15 In *Kings of the Garden* Adam J. Cribblez traces the fall and rise of the New York Knicks between the 1973 the year they won their last NBA championship and 1985 when the organization drafted Patrick Ewing and gave their fans hope after a decade of frustrations During these years the teams led by Walt Frazier Earl Monroe Bob McAdoo Spencer Haywood and Bernard King never achieved tremendous on court success and their struggles mirrored those facing New York City over the same span In the mid seventies as the Knicks lost more games than they won and played before smaller and smaller crowds the city they represented was on the brink of bankruptcy while urban disinvestment growing income inequality and street gangs created a feeling of urban despair *Kings of the Garden* details how the Knicks fortunes and those of New York City were inextricably linked As the team's Black superstars enjoyed national fame Black musicians DJs and B boys in the South Bronx were creating a new culture expression hip hop that like the NBA would become a global phenomenon Cribblez's fascinating account of the era shows that even though the team's efforts to build a dynasty ultimately failed the Knicks like the city they played in scrappily and spectacularly symbolized all that was right and wrong with the NBA and the nation during this turbulent creative and momentous time
