Barton, 2016-07-25 Nikki Neal was damn good at her job As an undercover cop she had just about enough information to put the local crime boss away but she needed more to make it stick But when someone blew her cover Nikki found herself on the wrong end of several guns Aedan Harrison was on the fast track to winning the Governor's seat for the state of Ohio He had his whole life or at least his immediate future planned out What he didn't need was a mate he hadn't made plans for throwing a monkey wrench into the mix The last thing Nikki needed was an overbearing jackass ordering her about and telling her how much he didn't need her in his life right now Well she didn't need him either She had work to do and needed to get herself and her grandda to safety It didn't take long for Aedan's family to convince him of the error of his ways and when he saw what he'd done he felt like an ass All he wanted to do was make it right but could he grovel enough for her to accept him

Cormac Kathi S. Barton, 2016-02-08 Cormac Harrison Mac to his family and friends has a good thing going He has a brand new home a successful business and is truly happy with the direction his life is heading Andi Collins can't seem to catch a break The last time she'd encountered her father she'd ended up in the hospital Now Stormy Harrison is giving her a

break and helping her get back on her feet So when this big handsome man tells her that she s his mate she s scared to death Mate She d heard the term before And what it meant She would belong to him Not just him but whoever he wanted to sell her to Andi reached for the door handle thinking that rolling from a moving car would be better than being passed around like a napkin at a banquet hall Don t do that He reached for her hand just as she touched the handle Please just listen to me and I ll explain I don t need you to explain I know what mate means My friends at school they told me what happens when you become a mate to men And what they didn t tell me my father and aunt explained the rest Mates use you and then when they ve had enough they pass you around to all the other men they know I won t have it The car suddenly stopped Her seatbelt cut into her neck and she nearly hit her head on the dash it stopped so abruptly Darcy Kathi S.

Barton,2016-11-28 Brooke Rickson had been working the pottery wheel and pulling clay with her great grandfather for almost as long as she could remember Her work was famous even though no one really knew who she was She preferred it that way and had become a recluse since her great grandfather died He had left her everything Mac Harrison loved rare pottery and when he landed two tickets to the big art show he was thrilled He could get his prized Rickson pottery piece appraised and get to see new work at the same time He brought his brother Darcy along for the ride When Darcy caught Brooke s scent he knew he d found his mate Unfortunately the beautiful recluse made no bones about telling him that she was alone and liked it that way and that no man was barging in and taking over her orderly life She was living her life just the way she wanted it and that didn t include taking orders from a man any man He could get that thought right out of his head One Dark Kiss: Deluxe Special Edition Rebecca Zanetti,2025-06-24 DELUXE SPECIAL EDITION HARDCOVER with exclusive content stenciled edges reversible dust jacket foil stamping and designed endpapers Available only while supplies last Succession meets Black Mirror with the morally gray heat of Scarlett St Clair and the addictively immersive realities of Rebecca Yarros as obsession takes center stage in this steamy neon lit dystopian romantasy twist on Snow White and the Huntsman set in a seductive world of money power billionaires and the dangerous desires that drive them Mirror Mirror The reflection holds a darker truth ALEXEI I ve spent the last seven years in the hell of a maximum security prison every moment consumed by the need for revenge revenge against the bastards who framed me and revenge against the family who stole everything I owned Now that I m finally free nothing will stand in my way Not even her my hot as sin new lawyer Maybe she s another weapon sent by my enemies to break me or maybe she s the key to my freedom Either way once she s mine I m never letting her go ROSALIE When I took this case I thought I had it under control But Alexei is no typical convicted killer he s a dangerously seductive force of nature Perhaps it s the lingering power from his days as heir to a global social media empire Innocent or not he s dangerous in the worst and best ways I secure Alexei s release as we prepare for a new trial but he wastes no time turning against his traitorous relatives and plotting his return to power Amidst the chaos our explosive chemistry ignites putting us and everyone I care about in the crosshairs of ruthless enemies If we can t stop them Alexei

plans to burn the whole world down And if anything he s a man of his word **Drew** Kathi S. Barton,2016-11-14 Ryder Mackenzie didn t remember much about what happened to her All she knew was she hurt in more places than she could remember Mac barely remembered going over the falls and hitting the rocks below to save the little girl But now that she d been to the other side the ghosts wouldn t leave her alone Drew Mullins was a haunted man quite literally His mother tortured him as a child and seemed bound and determined to continue doing so seventeen years after her death Drew being a necromancer was having a hard time avoiding her because she didn t know she was dead Between Mac having the little girl s father haunting her and Drew dealing with his mother s ghost they both were a mess But in each other they found what had been missing in their lives love But when the thirst for revenge heats up can Steele and his group find a solution At least one where no one else ends up dead **Edmond** Kathi S. Barton,2024-09-10 Mac Pendleton didn t know what had come over her When she woke up that morning strange things were going on with her and it scared her too much to think about it This weird assed vine had just appeared on her back and it moved Not only that but she now knew things that she couldn t possibly have known Edmond and his other single brothers were a bit put off by Lica s new mate Brandy She was shelling out cash to them so fast they felt like bought men Edmond had to take a bit of a break from the family or he might say something to Brandy that he d regret Edmond pulled into the parking lot of this small hole in the wall diner to grab a bite to eat when these four men out of nowhere caused a ruckus nearly getting him arrested along with them in the process The cook Mac was their sister Mac saw it all coming She could now read everyone but Edmond He was a mysterious blank But the vine on her back was reaching for him actually pulling from her body to get to him **Riordan** Kathi S. Barton,2015-10-19 Riordan Harrison can t believe it Everyone is pissed at him and he doesn t see what the fuss is all about All he did was tell the woman that she was his mate He couldn t help it that his tiger caused him to pin the woman to the counter and she proceeded to throw him to the ground and cover him with sticky pastries Now no one will talk to him including his secretary He hasn t claimed the woman yet and it is all seeming like it s more trouble than it s worth Storm Browning Stormy to her friends is a wounded war hero She s done her duty and just wants to live a quiet life run her little bakery without any hitches The majority of the men she commanded in the war had been shifters so she wasn t surprised when the big oaf sniffed her out claiming that she was his mate But that doesn t mean she has to agree with it What else could she do He had to go He d hightail it and run anyway when he saw her scars they all did She couldn t emotionally handle that not again at any rate But if Riordan is going to get back on everyone s good side he ll have to make peace with the woman Even though he thinks he s innocent he ll go for a visit and maybe apologize but after he gets there things go from bad to worse Stormy is targeted for assassination and he s in the line of fire **Larson** Kathi S. Barton,2017-11-30 Virginia is a bestselling paranormal romance author She does much better with her stories than with people When she s in her writing zone she won t even eat unless her mother hands her a plate and reminds her to do so She wouldn t be making the trip to the McCullough s if it wasn t

absolutely necessary Go see the child and make sure he has a good home That is the plan Simple not Larson is having his own issues Being blamed for the murder of one of his clients which he didn't do has him closing up shop and laying low for a few days His mom insists that he show up for dinner to meet their visiting guests Larson would rather stay home but she'd have his hide if he did Larson sees the beauty from across the room and makes his way to her Before he even reaches her he catches her scent She is his mate Now what is he supposed to do He has his life just the way he wants it and a mate wasn't figured into that equation On the other hand the way she flushes when she returns his stare has him thinking anything but pure thoughts Maybe having a mate wouldn't be so bad after all truelesbianlove.com Carsen Taite,2008-10-20 Everyone knows true love is just a fantasy right Mackenzie Lewis friends think she is destined to grow old alone because even though she is a successful business woman fun to be with and great looking the only women she meets are the ones in the romance novels she devours or while tagging along on dates with her best friend Jordan Mac wants the kind of love she reads about and that her parents storybook love proves exists and she intends to wait for it Mac's best friend Dr Jordan Wagner a successful gorgeous plastic surgeon has encountered lots of women and she has enjoyed every one She is not interested in growing old with any of them though and her past losses only confirm her choice is the right one At the first sign of commitment she is on to the next On a dare from their pals Mac and Jordan decide to look for matches on the Internet As they wind their way through the Web seemingly looking for completely different things both women discover true love is far different than they imagined Ultimately Mac and Jordan discover truelesbianlove is closer than a click away [Landon](#) Kathi S.
