**Flâneuse** Lauren Elkin, 2017-02-28 FINALIST FOR THE PEN DIAMONSTEIN

SPIELVOGEL AWARD FOR THE ART OF THE ESSAY A New York Times Notable Book of 2017 The flâneur is the

quintessentially masculine figure of privilege and leisure who strides the capitals of the world with abandon But it is the flâneuse who captures the imagination of the cultural critic Lauren Elkin In her wonderfully gender bending new book the flâneuse is a determined resourceful individual keenly attuned to the creative potential of the city and the liberating

possibilities of a good walk Virginia Woolf called it street haunting Holly Golightly epitomized it in Breakfast at Tiffany's and

Patti Smith did it in her own inimitable style in 1970s New York Part cultural meander part memoir Flâneuse takes us on a

distinctly cosmopolitan jaunt that begins in New York where Elkin grew up and transports us to Paris via Venice Tokyo and

London all cities in which she's lived We are shown the paths beaten by such flâneuses as the cross dressing nineteenth

century novelist George Sand the Parisian artist Sophie Calle the wartime correspondent Martha Gellhorn and the writer

Jean Rhys With tenacity and insight Elkin creates a mosaic of what urban settings have meant to women charting through

literature art history and film the sometimes exhilarating sometimes fraught relationship that women have with the

metropolis Called deliciously spiky and seditious by The Guardian Flâneuse will inspire you to look out for the great cities

The 1990s witnessed an explosion in women's writing in France with a particularly exciting new generation of writers coming to

the fore such as Christine Angot Marie Darrieussecq and Régine Detambel Other authors such as Paule Constant Sylvie

Germain Marie Redonnet and Leïla Sebbar who had begun publishing in the 1980s claimed their mainstream status in the

1990s with new texts The book provides an up to date introduction to an analysis of new women's writing in contemporary

France including both new writers of the 1990s and their more established counterparts The editors incisive introduction

situates these authors and their texts at the centre of the current trends and issues concerning French literary production

today whilst fifteen original essays focus on individual writers The volume includes specialist bibliographies on each writer

incorporating English translations major interviews and key critical studies Quotations are given in both French and English

throughout An invaluable study resource this book is written in a clear and accessible style and will be of interest to the

general reader as well as to students of all levels to teachers of a wide range of courses on French culture and to specialist

researchers of French and Francophone literature An electronic edition of this book is freely available under a Creative

devices at the photographer's disposal. With celebrities today expected to pose for the paparazzi in the street and the studio being used increasingly for informal and intimate shots, these traditions have been subverted. Accompanying a major exhibition at Tate Modern, Street Studio explores the fascinating contrasts, tensions and connections between these two traditions.
