Hanrahan, 2025-08-29 What if the blood soaked altars of antiquity weren t relics of superstition but terrifyingly real pacts What if those pacts are being renewed today The Soul Cage Humanity Sacrifice and the Returning Darkness presents an alarming thesis primordial parasitic intelligences historically known as gods and demons are staging a resurgence in our modern world This explosive investigation delves into millennia of forbidden history tracing the horrifying pattern of human sacrifice across the globe From the child burning fires of Moloch in Carthage and the heart ripping rites of the Aztecs to the bog sacrifices of the Celtic Druids and the blood eagles of the Norse the book argues these were not superstitious rites but functional transactions the currency of human life force paid to dark entities for power Now that ancient darkness gathers anew cloaked in the guise of modern science and elite privilege The Soul Cage exposes the two most powerful nexuses of this return CERN Uncover the disturbing symbolism behind the Shiva Nataraja statue a god of destruction presiding over the world s largest particle accelerator The book provides a chilling analysis of a mock sacrifice ritual captured on video in its shadow arguing that CERN s high energy experiments may be weakening the dimensional barriers that have long held these entities at bay BOHEMIAN GROVE Journey into the secretive redwood cathedral where the world s most powerful men perform the Cremation of Care ceremony Why do they gather before a 40 foot owl idol an icon chillingly linked to Moloch to symbolically burn care This terrifying synthesis connects these modern nexuses to accelerating global chaos the normalization of dark spirituality and the horrifying unexplained mystery of mass disappearances The goal is no longer subtle influence it is overt dominion The Soul Cage is a stark warning The hunger of the abyss has returned and we may be inadvertently paving the way for a reality where humanity is reduced to an energy source Are we merely witnessing chaos or are we hearing the howl at the door *The Idea of the Soul* Alfred Ernest Crawley, 1909 **Dark Alpha's Command**

Donna Grant, 2022-09-06 From New York Times bestselling author Donna Grant comes another action packed installment in her thrilling Reaper series featuring a brotherhood of elite assassins who wage war on the Fae at Death s behest and the women who dare to love them There is no escaping a Reaper I am an elite assassin part of a brotherhood that only answers to Death And when Death says your time is up I m coming for you I ve been a part of so many different worlds I m not sure who I am or where I fit in anymore Honestly with everything I ve been through being called across realms and encountering the

beautiful Druid who instantly captures my attention and my heart shouldn't have surprised me But it did Not as much as discovering how it feels to brush against her magic however Now we must navigate these new waters and fight against our latest threat hoping that our combined power and that of our allies is enough to defeat our foe Because the Fae Others want to end the Reapers and take over the realm and their leader is one of the most formidable enemies we've ever faced The battle won't be easy but with this strong resilient mortal by my side and some help from our friends it's a fight I'm more than willing to enter as long as it means she's by my side Forever Dark Alpha's Passion Donna Grant,2022-03-08 From New York Times bestselling author Donna Grant comes another gripping story in her Reaper series featuring a brotherhood of elite assassins who wage war on the Fae at Death's behest and the women who dare to love them There is no escaping a Reaper They are elite assassins part of a brotherhood that only answers to Death And when Death says a Fae's time is up they are who she sends The Fae Others think they have me in their grip but little do they know that I'm working as a double agent My alliance now lies with the Reapers and Death and it is my mission and duty to destroy the malignant organization before their rot spreads Unfortunately a surprise splits my focus a more than welcome one I never thought to reunite with my lost true love And now that I have I must find a way to shelter her from the evil Six and convince my new friends that she's not a threat Admittedly there is some doubt How can there not be But I trust her And I haven't seen her held her kissed her for centuries I loved her then will love her always and will do whatever it takes to keep her by my side for as long as we have Her cunning and courage hold me captive and our passion knows no bounds If only the timing were better and the world safer
