Aer-ki Jyr, 2014-03-01 You think the world is safe. You think everything is under control. You think there is nothing Humanity cannot do if it puts its mind to it. All the things you take for granted, the normal life that you think is yours by natural right, never existed. Earth is not what you think it is. It is a ticking time bomb wrapped up in a delusional utopia called everyday life. As you look up at the stars imagining Humanity's future, you're actually seeing into your race's past, a past that is fated to return with horrific consequences. One man discovers that past and the inevitable countdown that Earth is under. Knowing that the planet's present anonymity is the only reason it has survived to date, he dedicates his life and his fortune to defying the impossible and giving Humanity a slim chance, not of victory but of mere survival against an enemy so ruthless and terrifying that their name will forever be seared into Human memory. They are the V-kit no sat and you've seen them before, but you just don't know you did. With the knowledge of Earth's

past driving his plans for the future the man who holds Humanity's fate in his hands wisely chooses to keep his discovery secret all the while recruiting resources and allies to form the organization that will spearhead Earth's only hope against a dark and devastating future An organization known as Star Force With 100 novella length installments planned for the series a level of detail far surpassing any casual sci-fi story and already over 13 000 sales STAR FORCE is no mere action adventure thriller but rather a grand new universe for readers to dive into from the very beginning gradually building into an epic franchise on a scale akin to Mass Effect or Halo Volume 4 contains the following episodes SF21 Allegiance SF22 Augmentation SF23 Backstab SF24 Origin SF25 Foothold **Star Force Origin Series** Aer-ki Jyr,2016-05-22 The Origin Series is empire building at its finest with 100 episodes and over 2.5 million words in the military science fiction serial detailing the rise of Star Force from corporate entity into an interstellar empire over the course of more than a millennium Follow a core group of characters known as the Trailblazers as they use alien technology and knowledge discovered in Antarctic ruins to obtain limited immortality and lead Humanity out into the galaxy encountering befriending and fighting hundreds of alien races all the while desperately trying to prepare Earth for the unbeatable threat at the core of the Milky Way that is destined to return and reclaim their lost colony and their former Human slaves Episodes in this box set SF93 Crusade SF94 Paladin SF95 Capitulation SF96 Leonidas *Index to the Christian Science Monitor*,1972 **Physics Briefs**,1987 **Star Force** Aer-ki Jyr,2016-05-22 The Origin Series is empire building at its finest with 100 episodes and over 2.5 million words in the military science fiction serial detailing the rise of Star Force from corporate entity into an interstellar empire over the course of more than a millennium Follow a core group of characters known as the Trailblazers as they use alien technology and knowledge discovered in Antarctic ruins to obtain limited immortality and lead Humanity out into the galaxy encountering befriending and fighting hundreds of alien races all the while desperately trying to prepare Earth for the unbeatable threat at the core of the Milky Way that is destined to return and reclaim their lost colony and their former Human slaves Episodes in this box set SF97 Rajamal SF98 Shiva SF99 Kaalo SF100 Intransigent *Star Force* Aer-ki Jyr,2016-05-19 The Origin Series is empire building at its finest with 100 episodes and over 2.5 million words in the military science fiction serial detailing the rise of Star Force from corporate entity into an interstellar empire over the course of more than a millennium Follow a core group of characters known as the Trailblazers as they use alien technology and knowledge discovered in Antarctic ruins to obtain limited immortality and lead Humanity out into the galaxy encountering befriending and fighting hundreds of alien races all the while desperately trying to prepare Earth for the unbeatable threat at the core of the Milky Way that is destined to return and reclaim their lost colony and their former Human slaves Episodes in this box set SF49 Penance SF50 Evacuation SF51 Sav SF52 Survivor *Star Force Origin Series* Aer-ki Jyr,2016-05-20 The Origin Series is empire building at its finest with 100 episodes and over 2.5 million words in the military science fiction serial detailing the rise of Star Force from corporate entity into an interstellar empire over the course of more than a millennium
