*Bibliographical Shaw* Dan H. Laurence,Fred D. Crawford,2000 Dedicated to Bernard F Burgunder eminent collector of Shawiana SHAW 20 continues Mr B s legacy by making available new bibliographic information on Shaw his translations and major research sources along with two unpublished Shaw pieces Representing a prodigious amount of research by a number of people the volume provides extensive previously unavailable information that is invaluable to the continuing study of Shaw and his works Featured is Dan H Laurence s A Supplement to Bernard Shaw A Bibliography the first update to be published since Laurence s original publication in 1983 Soho Bibliographies Extending his original publication Laurence faithfully follows the format and style of the Soho edition provides useful cross references to the 1983 edition and includes a selective index A Supplement makes as current as possible information relating to the publishing history of Shaw s works in English Also invaluable to scholarship but not often seen in publication is the series of investigatory reports eleven in all on the history and holdings of major Shaw research sources written by equally major Shaw scholars and spanning four nations England Ireland Canada and the United States Prominent among the articles is an extensive report by James Tyler on the Burgunder Collection at Cornell University Beyond these enticing collections is a listing of additional research sources at the end of the section Last but hardly least is the bibliography of Shaw s translations in ten major languages and an article on Shaw and his translators by Fred D Crawford completed by Dan H Laurence Culling the history of translations of Shaw s works in distant countries and in various languages the bibliography gathers hitherto unavailable publication data transliterated to English Preceding the bibliography is a fascinating article on the interactions intrigues and inconsistencies that surrounded Shaw s relations with his translators Given the multiple complex issues involved the article invites further research on Shaw s translations as much as it provides a basis for such scholarship Additionally Bernard Shaw s Further Letters to Siegfried Trebitsch edited by Samuel A Weiss provides evidence beyond Weiss s fine book length edition of the

evolution of a relationship between Shaw and his German translator particularly in the face of World War II enmities between their respective countries and Trebitsch's continued if at times ill managed efforts to put Shaw on the German stage and in the German heart. In Shaw's *A Devil of a Fellow Self Criticism* originally published in a German translation by Trebitsch but published in this volume for the first time in its original English text we hear Shaw troubling the Viennese about his introduction as a dramatic poet to the German speaking peoples. Shaw explains easily I never resist a man who is in earnest. The man was Siegfried Trebitsch. Also included are corrections and additions to the *Collected Letters 1926-1950* by Dan H. Laurence a review of Leon Hugo's *Edwardian Shaw* and John R. Pfeiffer's *Continuing Checklist of Shawiana*.
