McGraw-Hill Staff, 2002-09. Child and Adolescent Development for Educators Judith L. Meece, 2002. Studying child and adolescent development. Physical development, Cognitive development, Piaget's and Vygotsky's theories, Cognitive development, information processing and intelligence theories, Language and literacy development, Self concept, identity and motivation, Peer relations and moral development, The family, partners in education, Supporting the development of children and youth in school. Lesson Study Catherine C. Lewis, 2002. Lesson study, the form of professional development long favoured by Japanese teachers, has recently been initiated by teachers at many sites across North America. This handbook illuminates both the key ideas underlying lesson study and the practical support needed to make it succeed in any subject area. Nine chapters address topics including the basic steps of lesson study, supports, misconceptions, system impact, and how to pioneer lesson study in your setting. The handbook provides practical resources including schedules, data collection, examples, protocols for lesson discussion and observation, and instructional plans for mathematics, science, and language arts.

Go! with 2007 Vol 1 Shelley Gaskin, 2009. Glencoe Algebra I, 2003. Educational Guide to the United States John Wong-Quincey, 1921. Practical Financial Management William Lasher, Peggy L. Hedges, Terry J. Fegarty, 2006. The first Canadian edition of Practical Financial Management is the latest milestone in a journey in education shared by the authors. They believe that most finance texts are harder for students to understand than they should be. The issue is relatively unique to this field. Practical Financial Management is unique because of its approach to teaching finance; that approach is the result of a combination of classroom and practical experience. The book is easy to read, enjoyable, and non-intimidating. In other words, the text is accessible and the reviewers have been unanimous in their praise of the work's conversational style and readability.
