**The Pursuit of God** A. W. Tozer, 2020-08-18 During a train trip from Chicago to Texas in the late 1940s A W Tozer began to write *The Pursuit of God* He wrote all night and when the train arrived at his destination the rough draft was done The depth of this book has made it an enduring favorite Readers cannot help but hear the voice of God calling them to a deeper relationship with Him while reading this amazing classic From beginning to end each page in *The Pursuit of God* is an impassioned plea for the reader to abandon comfortable Christianity in order to truly know God as He desires to be known This is the most important and foundational book of the Christian faith written by a man who wore holes in the knees of his pants from praying *The Pursuit of God* challenges the reader to consider their own faith in Christ and what they should be doing with that faith in virtually every chapter The chapter entitled *The Blessedness of Possessing Nothing* should be required reading for anyone confessing Christ as their Lord If you have not done so already please read this book Your life and the lives of those you share this book with will be forever enriched

SCM Studyguide: Philosophy and the Christian Faith Ben Pugh ,2018-12-04 The challenges that Western culture keeps posing to the Christian faith are ever new The goal posts keep changing This study guide will equip theology students to understand the culture shaping beliefs that are driving the kinds of questions it brings to faith It will be an historical overview of the key stages in the history of Western philosophy with each section carefully tracing the genealogical line of ideas and the Christian responses to them right up to the present day For most theology students learning abstract philosophical concepts involves literally learning a new language a language that the initiated converse in with ease but which leaves the uninitiated baffled Thus each chapter in this study guide opens with a glossary of terms Throughout the studyguide students are encouraged to reflect on the ways in which what has been learned might be applied in both explicitly theological and wider cultural contexts for example they might be asked to think of a film or book that seems to express elements of existentialism or postmodernism or to describe how something very like the extreme subjectivity of idealism can sometimes show itself in Sunday morning worship     The Pursuit of Holiness Study Guide Jerry Bridges,2014-02-27 Holiness should mark the life of every Christian But holiness often is hard to understand In the 12 lessons in this companion study guide to *The Pursuit of Holiness* ISBN 9781576839324 by Navigator author Jerry Bridges you can discover the Bible s guidelines for holy living As you develop a deeper relationship with God you will learn more about His character grow in maturity and understand the role the Holy Spirit plays in your pursuit of holiness     The Christian and Missionary Alliance H. Tozer,2007-02-14 The most important question For A W Tozer no question is more important than What is God like The desire to know God consumed his entire life and ministry That s why those who read him come to know God more intimately Originally preached as sermons at Southside Alliance Church in Chicago this first volume of *The Attributes of God* examines ten attributes of God It also includes a study guide for an in depth look at each attribute Infinite Immense Good Just Merciful Gracious Omnipresent Immanent Holy Perfect Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you If a sermon can be

compared to light then A W Tozer released a laser beam from the pulpit a beam that penetrated the heart Warren Wiersbe former pastor of The Moody Church      **The Pursuit of God** A. W. Charisma and Christian Life ,1995      **Prayer Mode** Leah Cast,2025-04-29 God has gone to great lengths to pursue fellowship with his beloved sons and daughters He greatly desires for us to spend time with him in prayer However for many Christians prayer is a task completed on spiritual autopilot mode Too often in the busyness of life we might find ourselves going through the motions offering up a quick prayer before meals or bedtime without much thought toward the posture of our prayer lives But there is a mode to effective prayer and that is the topic explored throughout the pages of this book Prayer Mode The Posture of Effective Prayer will guide readers through an eight section Bible study designed to refresh their perspective on the mode in which scripture instructs believers to pray This book will help readers explore the importance of not just the words they pray but the heart posture motives and passion behind the words they pray Developed for individuals or small groups each topic includes engaging Bible teaching paired with a guide for corresponding personal study self reflection and group discussions      **Entering God's Presence** Mr Stephen Eyre,Stephen D. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
