The Saving Life Of Christ:

The Saving Life of Christ W. Ian Thomas, 1989-11-18 This book with deep reverence for its subject takes readers along on a journey of consideration to discover the deeper meanings of the Christian life **The Saving Life of Christ and the Mystery of Godliness** W. Ian Thomas, W. I. Thomas, 1988 Two popular books that will enlarge your understanding of Christian living published together in one volume **The Saving Life of Christ** Walter Ian Thomas, 1964 *To Be Saved in the Life of Christ as Revealed in Romans* Witness Lee, 1990-06-01 The full salvation of God to us is revealed in the book of Romans in two sections The first section is God's redemption through the death of Christ and the second is God's saving in the life of Christ Hence 5:10 says If while we were enemies we were reconciled to God through the death of His Son much more having been reconciled we shall be saved in His life The main significance of what is covered in Romans chapters one through four is the redemption of Christ including reconciliation in God's full salvation and the main significance of what is covered in Romans chapters five through sixteen is the saving of Christ in God's full salvation In this book we will see only the main significance of the second section of Romans that is how Christ saves us in His divine life **The Saving Life of Christ /c Foreword by Rev. Dr. Alan Redpath** W. Ian Thomas, 1964 **The Divine Dispensing of the Divine Trinity** Witness Lee, 1990-06 Dispensing means to distribute God dispenses Himself to you just as you may dispense food to your guests Many readers of the Bible have realized that in the Gospel of John the Father is revealed the Son is revealed and the Spirit is revealed But not many have realized that in the Gospel of John the Triune God the Father the Son and the Spirit is revealed for the dispensing of Himself into us first as life then as life supply and then as everything **The Life of the Lord Jesus Christ** J. P. Lange, 2025-11-17 Reprint of the original first published in 1872 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Saving Life of Christ*, 1974 *Understanding the Atonement for the Mission of the Church* John Driver, 2005-07-06 At the very center of the Christian faith is Jesus a crucified Messiah All the wisdom and the power of God have been revealed in him Apart from such wisdom and power no genuine Christian experience is possible Unfortunately Western Christianity has been so conditioned by Constantinian presuppositions that it has failed to take into account the centrality of the crucified Messiah It has been far more preoccupied with worldly wisdom and worldly power than with faithfulness to the gospel of the kingdom It has concentrated on the salvation of the individual soul but has frequently disregarded God's purpose to create a new humanity marked by sacrificial love and justice for the poor In the classical theories on the atonement the work of Christ was unrelated to God's intention to create a new humanity Driver here demonstrates that the covenanted community of God's people is the essential context for understanding the atonement The reconciling work of Christ creates a reconciling community where all the barriers that divide humankind break down Driver's book is an invitation to look at the cross not merely as the source of individual

salvation but as the place wherein begins the renewal of the creation the new heavens and the new earth that God has promised and that the messianic community anticipates May many readers heed its message C Rene Padilla Buenos Aires

Communion with the Triune God Dick O. Eugenio,2014-03-03 The revival of Trinitarian studies in the twentieth century ushered in a new era of theological innovation The renewed and dedicated articulation of the Trinity as a doctrine in its own right is indeed noteworthy but more important and praiseworthy are the recent endeavors of theologians in integrating the doctrine of the Trinity with other Christian doctrines and with the many variegated aspects of the life and ministries of the church Today it is common to encounter the term Trinitarian being used as a modifier Trinitarian worship Trinitarian ecclesiology etc This book presents Thomas F Torrance as a participant theologian in this integrative paradigm Because Torrance argues that the Trinity is the ground and grammar of theology his doctrine of salvation is consistently Trinitarian But how did he formulate his unique Trinitarian soteriology This book attempts to spell this out Believing in Jesus Christ Leanne Van Dyk,2002-01-01 This book is a clear treatment in nontechnical language of the person and work of Jesus Christ especially focusing on the nature of atonement The chapters are arranged around several central questions Who is Jesus What do the Bible and the church tell us about him Just what is in the nature of the salvation he offers and how does it work Most of all what difference do the answers to these questions make for the church and for the world The Foundations of Christian Faith series enables readers to learn about contemporary theology in ways that are clear enjoyable and meaningful It examines the doctrines of the Christian faith and stimulates readers not only to think more deeply about their faith but also to understand their faith in relationship to contemporary challenges and questions Individuals and study groups alike will find these guides invaluable in their search for depth and integrity in their Christian faith **The Books You**
