**The Simplicity of Life** Philip Colagrande,2021-02-04 Why is it from the time we re born and throughout our lives we never question who we are Where did we come from Why are we here Is there an afterlife Is this it We only pause in a tragedy or when we realize life is ending in our later years Amazing We have absolutely no control and can be gone in a blink of an eye Our day to day lives are so focused on what we do that it totally abandons the real questions we should be asking Why I wrote this book to show what God has revealed to me through my life struggles The understanding of who my Father truly is and how simple life can be I always thought if there s a God and I live my best then why is there so much suffering Why do so many people not believe in God If he s our Father then why isn t he here living among us Think about that If you truly believe that you were created to have life then why isn t he living with us There must be a reason These questions are valid if you believe in God Would you leave your children Would you Why What he revealed to me is so simple My passion is to reach those who want the peace and joy I experienced I pray this touches your heart and brings you to a closer relationship to your loving Creator who happens to be your Father and loves you like no other He continually calls We just have to answer Understanding the Simplicity of Life Vermell Brown,2015-02-27 Understanding the consequences of our choices enable us to become conscious to our awareness with our mind body and spirit Detach from hurting others yourself through holding on to your pain suffering Release perpetual negative thoughts actions Life is full of challenges Learn to dust yourself off and stay focused on your path by believing receiving and achieving It s your greatness so take responsibility for your life and live with your optimal potential love and joy *The True Life* ,1890 *Rural Life Conference Held at the University of Virginia Summer School* ...
