one but Hester whom he has sworn to secrecy Several years pass Hester supports herself by working as a seamstress and Pearl grows into a willful impish child Shunned by the community they live in a small cottage on the outskirts of Boston Community officials attempt to take Pearl away from Hester but with the help of Arthur Dimmesdale a young and eloquent minister the mother and daughter manage to stay together Dimmesdale however appears to be wasting away and suffers from mysterious heart trouble seemingly caused by psychological distress Chillingworth attaches himself to the ailing minister and eventually moves in with him so that he can provide his patient with round the clock care Chillingworth also suspects that there may be a connection between the minister s torments and Hester s secret and he begins to test Dimmesdale to see what he can learn One afternoon while the minister sleeps Chillingworth discovers a mark on the man s breast the details of which are kept from the reader which convinces him that his suspicions are correct Dimmesdale s psychological anguish deepens and he invents new tortures for himself In the meantime Hester s charitable deeds and quiet humility have earned her a reprieve from the scorn of the community One night when Pearl is about seven years old she and her mother are returning home from a visit to a deathbed when they encounter Dimmesdale atop the town scaffold trying to punish himself for his sins Hester and Pearl join him and the three link hands Dimmesdale refuses Pearl s request that he acknowledge her publicly the next day and a meteor marks a dull red A in the night sky Hester can see that the minister s condition is worsening and she resolves to intervene She goes to Chillingworth and asks him to stop adding to Dimmesdale s self torment Chillingworth refuses
