researched and captivating account of fifty two inspirational stories of America's exceptionalism intricately woven with God's truths. Each story connects the life giving honesty of the American people with a life shaping application from the gospel. Individuals interested in the history of the United States or Christianity and looking for an overarching account of what unites us as Americans and believers will be enthralled by these inspiring stories of struggles and triumphs. We are not the light just the reflection if we stand close enough to the Source. The further we move away from God's will for our lives the more we stumble in the dark. But as believers we know there is an all powerful force that will lift us up and help us to walk in the light. The goal of God's Reflections: Biblical Insight from America's Story is to draw Christians closer to the light source so they can radiate brighter in their service to God and their country and be part of the greatest rescue mission of all making disciples for Jesus Christ.
