The Shadow Knows Meme:

The Zombie Memes of Dixie Scott Romine, 2024-12-01 This book traces the origin and development of several propositions tropes types clichés and ideas commonly associated with the U.S. South for example that it has been shaped by a warm climate that its people are hospitable and enjoy a slower pace of life that it is characterized by localist tendencies and possesses a distinctive sense of place. Approaching these propositions as memes that is group forming replicators Scott Romine argues that many of them developed in defense of slavery and evolved in its aftermath to continue to form a southern group whose way of life naturalized an emergent regime of segregation. Following the civil rights era another set of mutations allowed the ostensible inclusion of groups heretofore excluded from the category southerner mostly through the conceptualization of a culture projected backward into time. By attending closely to the historical formation and mutation of the things southerners have most often said that they are we can better understand the dynamic and dialogic process of group formation in the U.S. South.

Rose of the Flats Dario Addario, 2019-07-16 I am Tony Valentino the prime narrator of Rose of the Flats a

novel about prejudice in the White Mountains of New Hampshire I had thought I was writing about the experiences of my younger brother Dante a Korean War combat veteran who was successfully becoming an English teacher at our local high school after the war Unlike me he could easily pass for white But he had been arrogant enough to marry Rose our sweetheart since childhood who could not pass Although I narrated the story in 1957 it is just as relevant now as it was then Our father was an immigrant Jew from Italy married to our immigrant French Canadian mother who was Catholic and was partially black When the novel opens I am living with Rose taking care of Dante Two years ago someone in a passing car had taken a shot at him one night His car swerved and crashed into a tree leaving him severely brain damaged Our isolated little community is really part of Berlin the only city in the northern part of our state which back then was like Quebec Most of the people in Berlin could not understand English Cascade Flats is technically within the town line of Gorham a tourist town five miles down the road It is proudly American Our state motto is Live free or die In my senior year in high school I fell madly in love with my attractive young English teacher the epitome of American womanhood the woman I had planned to marry to live free or die with I wasn't going to be stuck with a woman of the flats not I But having been thrust into such close proximity with Rose I became aware of our deep feelings for each other especially of our strong sexual attraction which I had refused to fully acknowledge when she had given me the opportunities The Joy of my life I had thought had been white In trying to tell Dante's story I was really telling my own story forced by Rose to face my own demons my deepest anxieties and feelings of guilt for having coveted the devoted passionate wife of my own brother To finally survive our situation I was compelled to overcome my own prejudices
