**The Punk Rock of Business** Jeremy Dale, 2018-09-25 Author Jeremy Dale believes that too many businesses create an environment that encourages mediocrity and corporate norms that deliver lukewarm results at best. In *The Punk Rock of Business*, Dale offers a road map away from average and towards innovation through a mindset rooted in punk rock principles. In this fast-paced, actionable guidebook, readers will find eight punk rock principles to help you redefine your place in the corporate world for the better. A set of characteristics to strive for that will liberate you and accelerate your success. Countless examples drawing on both the classic stories from the music genre's industry-changing legacy and Dale's years of business success to illustrate these principles and characteristics in action. Straightforward lessons and actions to start taking today, right now, to break through corporate norms and build something greater. Punk rockers had a cause. They aimed for authenticity and refused to conform. In doing so, they created a dramatic change that shook society to its core. It was a much-needed wake-up call for the conservative part of the music industry. Jeremy Dale wants you to do the same in the business world, and in *The Punk Rock of Business*, he gives you the tools you need to accomplish that goal. **Black Friday**
