Hidden Pictures Jason Rekulak, 2022-05-10 NEW YORK TIMES BESTSELLER OPTIONED FOR NETFLIX BY A PRODUCER OF THE BATMAN GOODREADS CHOICE AWARD WINNER I loved it. Stephen King From Edgar Award finalist Jason Rekulak comes a wildly inventive spin on the supernatural thriller for fans of *Stranger Things* and *Riley Sager* about a woman working as a nanny for a young boy with strange and disturbing secrets. Mallory Quinn is fresh out of rehab when she takes a job as a babysitter for Ted and Caroline Maxwell. She is to look after their five

year old son Teddy Mallory immediately loves it. She has her own living space, goes out for nightly runs and has the stability she craves. And she sincerely bonds with Teddy, a sweet, shy boy who is never without his sketchbook and pencil. His drawings are the usual fare: trees, rabbits, balloons. But one day he draws something different: a man in a forest dragging a woman's lifeless body. Then Teddy's artwork becomes increasingly sinister and his stick figures quickly evolve into lifelike sketches well beyond the ability of any five year old. Mallory begins to wonder if these are glimpses of a long unsolved murder, perhaps relayed by a supernatural force. Knowing just how crazy it all sounds, Mallory nevertheless sets out to decipher the images and save Teddy before it's too late. **LifeCrafting** Bradley R. E. Wright, Cathryn Entner Wright, 2023-10-19

Would you like to live a more fulfilling life? A life marked by closeness to God, love for others, self care and productive purpose? Just about any life improvement requires one thing: changing behavior. You'll either have to start a new behavior, refine an old one, or stop an unwanted behavior altogether. The decision to change behavior can be daunting because changing habits and routines is often difficult. Changes can bring about good, but they can also upend usual ways of doing things. This book guides you in how to change just about any behavior for what the apostle Paul called a more excellent way. The guidance is rooted in cutting edge social science research joined with Christian understanding of the good life and how to achieve it. From this blended perspective, the book presents a general model for how you can effectively change your behavior. It gives you dozens of practical proven strategies that you can start using right away. What's the secret to behavior change? It happens best when a person combines several strategies. First, they start small. Next, they find ways to motivate themselves and to cultivate their spiritual gift of self control. Finally, in all steps, they invite Christ into the process through Scripture, prayer and fellowship. Imagine what your life would be like if you could better match what you do daily to what matters most to you both now and eternally. Matching your behavior to your core values with God alongside is the key to creating a truly beautiful life.

Righteousness, Volume 2 Jeffrey J. Niehaus, 2023-10-19

The second volume of this three volume work exegetes and comments on every occurrence of the Hebrew terms for righteousness in the Old Testament. It begins with a discussion of apperception and deductive method and concludes with an afterword on righteousness and ontology. The ontological argument affirms that God's aseity is the foundation of righteousness in the Bible and thus of all true righteousness. Righteousness is being true to God and God is always true to himself, including in his self existence. Other terms in the righteous word group such as righteous and justify are considered along with the important word pair righteousness and justice in semantic domain studies in the first three chapters. Semantic domain studies show that terms like upright, blameless and good are qualifiers of righteousness. Whatever the flavor or nuance of the terms for righteousness may be in different OT contexts, however, study shows that the underlying sense of righteousness is conformity to God's Being and doing, and the same is true of the righteousness of God. **The Angry Child** Brett Novick, 2019-09-17

Anger and violence have reached seemingly epidemic proportions within the fabric of our youth. From school violence, social media to growing oppositional and

defiant behaviors within the home anger has surfaced more and more in the lifestyles of our youth What are the answers Should the focus be more on parental enrichment skills or on social and emotional curriculum in school Perhaps greater monitoring of social media among our youth These questions in themselves only point to what is a systemic and increasingly complex problem A multifaceted approach is indeed needed to address this issue before it becomes even more intractable and leads to even greater anger and rage in our next generation
