## Reddit This Month

**Michal Rosen-Zvi**

## Reddit This Month:

**The January 6th Report** Elizabeth Holtzman, Select Committee to Investigate the January 6th Attack on the US Capitol, 2022-12-27 The most important political investigation since Special Counsel Robert S Mueller III's probe into Russian influence on the 2016 election of Donald J Trump The full report by the Select Committee to Investigate the January 6th Attack on the United States Capitol will feature facts, circumstances, and causes related to the assault on the Capitol Complex. Formed on July 1, 2021, the Select Committee has issued over one hundred subpoenas and held over a thousand witness interviews. The report will provide the results of investigations into interference with the peaceful transfer of power, the preparedness and response of the United States Capitol police and other federal, state, and local law enforcement, and the influencing factors that fomented the insurrection and attack on American representative democracy engaged in a constitutional process. The Select Committee investigation and the January 6th report will join the Mueller Report, the 9/11 Commission Report, the Warren Report, the Starr Report, and Watergate as one of the most important in history. The January 6th Report will be required reading for everyone with interest in American politics for every 2020 voter and every American. Featuring a foreword by Elizabeth Holtzman, a lawyer and political leader who was a Democratic Congresswoman from New York, Holtzman has a unique perspective on the situation as she served on the House Judiciary Committee charged with investigating the Watergate scandal and prepared articles of impeachment that precipitated the resignation of President Nixon.

**The Dark Social** Toija Cinque, Alexia Maddox, Robert W. Gehl, 2023-11-07 This book explores how people interact online through anonymous communication in encrypted, hidden, or otherwise obscured online spaces. Beyond the Dark Web itself, this book examines how the concept of dark social broadens the possibilities for examining notions of darkness and sociality in the age of digitality and datafied life. The authors take into account technical, moral, ethical, and pragmatic responses to ourselves and communities seeking to be belong in the dark. Scholarship on the Darknet and Dark Social Spaces tends to focus on the uses of encryption and other privacy-enhancing technologies to engender resistance acts. Such understandings of the dark social are naturally in tension with social and political theories which argue that for politics and acts to matter they must appear in the public light. They are also in tension with popular narratives of the dark recesses of the web which are disparaged by structural powers who seek to keep their subjects knowable and locatable on the clear web. The binary of dark versus light is challenged in this book. The authors' provocation is that practices of dark resistance, motility, and power are enacted by emerging data cultures. This book draws together scholarship, activism, and creativity to push past conceptual binary positions and create new approaches to darknet and dark social studies. The Dark Social: Online Practices of Resistance, Motility, and Power will be a key resource for academics, researchers, and advanced students of media studies, cultural studies, communication studies, research methods, and sociology. This book was originally published as a special issue of Continuum: Journal of Media Cultural Studies. *Cultivating Copyright* Bhamati Viswanathan, 2019-06-27 Creators and

creative industries are struggling to navigate the digital age Intellectual property rights including copyrights trademarks and patents offer invaluable tools to help creative industries remain viable and sustainable But to be fully effective they must be considered as part of a greater ecosystem Cultivating Copyright offers a framework for tailoring flexible strategies and adaptive solutions suited to diverse creative industries Tailored solutions entail change on four fronts business models and strategies legal policies and practices technological measures and cultural and normative features Creating strong creative industries through tailored solutions serves critical functions promoting richly varied artistic endeavors and supporting democratic flourishing

The Top Books of the Year Reddit This Month The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Reddit This Month : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Reddit This Month : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
