Barton,2019-04-22 Harper Wilson and all her siblings were relieved when they received the notice of their parents demise No one deserved it more and the only reason Harper agreed to go back to that little town in Ohio was to make sure they were truly dead Bryant Prince and his family were immortals and hadn t aged since they d reached the age of twenty eight He and his family had always lived next door to the Wilsons but he never knew the Wilson children The Wilsons had always kept to themselves so no one had any idea what was going on in the little house of horrors If they had the Wilson parents would have been dead a long time ago There was nothing left of the Wilson house but one wall The fire had taken the rest The garage however was still intact and this was where Harper wound up Drawn in by dark morbid memories from her childhood Bryant watched her knowing that he d found his mate    Trenton Kathi S. Barton,2022-06-19 Trenton was the last of the brothers to find a mate He saw his brothers happiness and wanted to experience that for himself Libby had moved in with her aunt to help her out And when a crazy neighbor was plotting to poison their water to make them sell their property to her the Marshalls stepped in to help From the moment Trenton figured out Libby was his mate she suddenly possessed a great deal of magic With the little people popping in and out and the house constantly changing Libby thought she was on the brink of losing her sanity    Anthony Kathi S. Barton,2016-10-31 Coleen had heard just about all she wanted to hear from her grandmother about the Bentleys no one could be that nice There had to be an angle there somewhere People just didn t help other people for nothing not in this day and age Tony Bentley wasn t expecting to find his mate and as a Were Panther he could even understand her reluctance He was after all a Bentley and the poor woman had been taken through the wringer but she was his mate and he wasn t about to take no for an answer Coleen s ex had left her in a heap of debt and she couldn t allow herself to bring that kind of baggage into a relationship She d work through it somehow without the help of the mighty Bentleys    **Andrew** Kathi S. Barton,2016-04-04 Andrew Lanning was happy when they shut down the family search and rescue business He hated it because it was rarely ever a rescue just bodies and that was too depressing But now he had to find something else to do Being a man of leisure left him too much time to get into trouble so he purchased a floundering cable company to occupy his time But when he started poking around the business the things he found made no sense The

sales all of them stemmed from one computer and there were over a hundred employees Laci Wintermute was caught in the middle of what she thought was a grocery store robbery but found out quickly that she was the target of the would be robbers all along What she couldn t figure out was why And those idiots weren t the only ones after her either They didn t seem to stop coming So she did the only thing she knew to do she ran She ran until she ran out of money acquired an assumed name and took a job at a small cable company The fate Sonya was determined to destroy the Lanning family even from the grave

**Son of Our Blood** Kathi S. Barton, 2013-03-01 Mac McManus has everything going for him but he doesn t see it that way All he sees are his limitations Like his father Aaron he is a vampire forced into the darkness and to sustain himself on blood He hates himself for what he has become and would rather meet the sun than remain immortal as a vampire or drink from another It s not anything he wants his family to know about He strikes a bargain with his aunt the Queen to get what he wants an end to his suffering In the bargain he must save a woman his mate from another vampire Zachariah Roberts a murdering fiend that has been plaguing Mac s dreams since he turned But the woman he must save the one the Queen is making him save has turned out to be more than he bargained for More than he ever wanted Brandi Daniel Andi to her friends has been on the run for years Never staying in any one place long she has managed to stay just one step ahead of her stepfather a cruel man with a nasty temper Andi has a talent of her own She can move things with her mind and her stepfather thinks he can sell her to a science lab for a quick buck Andi is caught squatting on Bradley Wolf s land and is given an ultimatum She can work off the debt or spend a few days in jail She figures she ll make a quick buck and leave before her stepfather finds her She has learned to rely only on herself and isn t bargaining for a gorgeous overbearing vampire Mac stepping in and dictating her every move A man who can and will fulfill her every fantasy and desire Mac s dreams of Zachariah have gotten worse and he knows that Andi is foretold to be one of his victims but the danged woman won t stay put The entire Kiss is banding together to keep Andi safe and it pisses her off in the process Will an entire Kiss of vampires and an entire pack of werewolves be enough to protect one stubborn human Has Mac found a new purpose in life Will either of them live long enough to find out

Barton,2016-09-05 Logan Douglas was bored Everyone seemed to have something to do a purpose except him and he didn't know what to do about it He needed to get out of town or get a life before he killed somebody And if Mason made one more snide remark about him being available because he didn't have anything better to do it was gonna be him Charlie Stone knew the meaning of being overworked and underpaid That was the story of her life If she hadn't needed what little pay she got from the nursing home she'd have quit a long time ago Now the police were shutting the place down and she had nowhere to go Logan had found his mate Mary Shafer when they were still children They knew what they were to each other but Mary had been killed by a drunk driver when she was only ten As far as Logan was concerned he'd lost his only shot at love One mate in a lifetime everyone knew that But what Logan couldn't understand was his attraction to the feisty beauty Charlie Stone She couldn't be his mate he'd already lost his shot at that
