Global Business Today Global Edition 8e Charles Hill, 2014-09-16 Global Business Today has been developed specifically to meet the needs of international students of business. Written in a refreshing, informative and accessible style, it has become the most widely used text in the International Business market with its comprehensive and up-to-date contents. Focus on managerial implications and application of international business concepts and incorporation of ancillary resources that enliven the text and make it easier to teach. In addition to boxed material which provides insightful illustrations in every chapter, interesting anecdotes have been carefully weaved into the narrative of the text to engage the reader. Enhancements to the Global Edition include New Country Focus boxes that provide background on the political, economic, social or cultural aspects of countries grappling with an international business issue to help raise students' awareness of how national and geographic differences affect the conduct of international business, such as Corruption in the Philippines and the Export Processing Zone Authority of Pakistan. New Management Focus boxes that provide lively illustrations of the relevance of chapter material for the practice of international business, including Patenting Basmati Rice and Expatriate Managers. New Perspective boxes that provide additional context for chapter topics, such as Market Economy in China, Australian SMEs Embrace the Chinese Currency and Global Variations in Ownership Structure.

Relearning Marketing for an AI World Dr. Ailie Tang, The marketing world has changed but the foundations still matter. This book shows you how to bring timeless frameworks like the 4Ps (Product, Price, Place, Promotion) and STP (Segmentation, Targeting, Positioning) into today's AI-driven landscape. Whether you're 1. New to marketing, curious how AI is reshaping the field; 2. Returning to marketing after years away from the textbooks; or 3. An experienced marketer facing rapid digital disruption, this book gives you a clear, practical roadmap to thrive in the AI era. Inside, you'll learn how top brands like Walmart, Amazon, Nike, Spotify, and Starbucks use AI to drive segmentation, pricing, personalization, and promotion. All references are drawn directly from official company disclosures, such as annual reports and press releases, or from leading research institutions and tech companies, including McKinsey Company and IBM. This disciplined sourcing approach is intended to uphold the accuracy, validity, and credibility of the analyses and insights presented throughout this book. If your marketing knowledge feels outdated or fragmented, this book is your bridge between what you know and what works now. No jargon. No hype. Just real strategies backed by credible sources and practical examples.

1. Relearn timeless principles
2. Rethink your strategy
3. Rediscover growth in the age of AI
