## **Success In Academic Surgery Part 1:**

*Success in Academic Surgery* Herbert Chen,Lillian S. Kao,2011-10-13 How does one become a successful academic surgeon The Association for Academic Surgery has been teaching this to medical students residents and young faculty for the over 20 years and this is the first time the experience and lessons learned have been summarized in a book format Success in Academic Surgery Part 1 reinforces the curriculum of the Association for Academic Surgery courses and also provides guidance to individual surgeons who have not had the opportunity to attend these courses Thus this book is a valuable reference for medical students surgical residents and young surgical faculty

## **Success in Academic Surgery** Herbert Chen,2012

**Academic Promotion for Clinicians** Anne Walling,2017-11-10 This book is a practical guide to the appointment promotion and tenure APT process for clinical faculty members employed by medical schools The number of clinical faculty members in US medical schools has increased exponentially in the last two decades At the same time faculty career tracks and promotion requirements have changed dramatically and medical schools have introduced multiple non tenure career tracks Currently only about 25% of the approximately 150 000 members of clinical departments This book provides insights and recommendations on career planning and academic promotion for clinical faculty members It also addresses much of the mythology surrounding the APT process and demonstrates how academic promotion should be used as a career building process rather than a daunting high risk event Topics include concepts and processes within academic promotion navigating the academic promotion and tenure process and managing the outcome of the APT application Academic Promotion for Clinicians is a valuable resource for clinical medicine faculty members as they engage in and successfully handle the challenges in the APT process and thus realize their career goals
