## **Success Is Gods Idea:**

Success God's Way Charles F. Stanley, 2002-02-03 Success is defined by a continuing desire to be the person God called you to be and to achieve those goals that God helps you to set says Charles Stanley In Success God's Way Stanley teaches God's principles for success including ten steps to help you reach God's goals in your life and what to do about the seven success blockers that entangle believers Dr Stanley has defined success in a timeless manner knowing and doing the will of God When a person knows Christ personally and consistently obeys the principles of Scripture he is prepared for success God's way Franklin Graham Chairman and CEO Samaritan's Purse CEO Billy Graham evangelistic Association In a society that increasingly judges the success of individuals by the clothes they wear the car they drive the club they belong to or the career they choose the church desperately needs to reaffirm biblical standards Once again Dr Stanley has brought clear focus to a timely issue Success God's Way challenges readers to reexamine whether or not they are sacrificing genuine lasting success on the altar of a worldly temporary counterfeit and therefore settling for a lot less than what God wants to give them Anne Graham Lotz International Bible Teacher and Bestselling Author In an age when our thinking is skewed our zeal is waning and our desire for excellence is deadened by apathetic self centeredness this book presents many biblical insights that challenge us to hear God's Word to Joshua to meditate on God's Word and be strong and courageous so we can have success Kay Arthur Precept Ministries International     *Holistic Success* Apostle Francis Ngulefac, 2022-08-01 Holistic Success is a book that originates from the inspiration of the Holy Spirit and the knowledge of the will of God for humanity The will of God for all humanity is that we should be successful in all aspects of our lives However this concept of the will of God may be too broad and unclear for many but this book breaks it down into simple and clear terms that everyone will be able to fully comprehend Within the pages of this book is the revelation of success in the full scope of human existence You will find out that everything that any human being has and can do here on the earth can be classified under five major components These components include 1 Personal life 2 Family life 3 Social life 4 Financial life 5 Professional life In this light I bring to you within the pages of this book concise revelations about these five areas and how to succeed in all of them A ten year personal study and interviews with a diverse group of people revealed that many individuals and families struggle in at least one of these major components of their lives and to make matters worse they think that it is the will of God for them to live as such Therefore I bring you the unparalleled truth from the word of God about these pertinent topics and how you can rise to become exceedingly successful in them The lord bless you as you apply diligence to study meditate and apply these classical truths to your life     *The Revelation of St. John the Divine - Volume 1* Bill Skiles, 2011-11-28 Two Thousand years ago the Christ Mind delivered a message to the world You must be born of the Spirit Through the willing instrument of Jesus that Mind which was in Christ Jesus poured out Itself for all who had ears to hear telling us of Its plan to take us into the Kingdom of God right here on earth But mankind did not understand this great message Therefore with Infinite Grace and

Love that same Christ Mind speaking out from the Invisible repeated the message in great detail through St John the Divine and this became the Revelation Over the centuries this Revelation has been in plain sight yet not understood or misunderstood and the reason is because only the Christ Mind in man can reveal the Truth of Being Not until the year 1970 did a man sit still in meditation over many months until at last the entire message of the Revelation was revealed once again That man was Herb Fitch This two volume set of books covers the entire Revelation of St John the Divine the interpretation of which was received in Consciousness from the Christ Mind and spoken through Herb Fitch in a series of talks recorded on tapes Transcribing this work work involved hours upon hours of dedication by many individuals These individuals also sat in meditation before beginning to type the transcripts and before beginning to edit the texts so that all may be receptive to the Christ Mind while working on this Revelation and this message may be presented again to the world with integrity preserving the Truth It is suggested that you find a quiet place and read only one chapter at a time until Something calls to you from these pages Then put these writings down and walk away find a place and sit down to meditate on what has stirred you within I can tell you with a certainty born of experience that you can walk in another Dimension right here and right now the Kingdom of Heaven on earth **Morning Serenity**, *The successful life: practical words of counsel, comfort, warning.*

*Godly Option for Relationships* Rev. Emmanuel E Usikaro LLB Hons,2018-12-19 The writing of Godly option for

relationships was inspired by my continues search of the scriptures My Bible tells me that grace and peace is multiplied through the knowledge of God and of Jesus our Lord 2 Peter 1 2 and I m surely in desperate need of the grace of God for ministry The more I searched the scriptures the more I understood the operations of the kingdom of God Godly option gave a glimpse of how eternal life operates how God s word takes on flesh when it meets with faith in the spirit of the hearer There are certain truth in God s word too deep to share with those not matured enough to receive them Godly option for relationships was able to bring the word in simple terms for easy understanding of deep things It is worth stating that the challenges faced by most believers are most cases down to lack of depth in the word At a time when sexual perversion immorality and divorces are so rampant in the body of Christ godly option for relationships could be the scriptural guide for those in search of the right option and direction My mentor Bishop David Oyedepo was quoted in several parts of this text and I thank God for such a great man that God has privileged us to have in the body of Christ at such a time as this *The Life of General William Booth* Harold Begbie,1920
